HOROSCOPES by Stella Wilder

THURSDAY, AUGUST 20, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you have a kind of "come from
behind" mentality that allows you to face
even the most difficult situations in a manner
that promotes energy, vision, drive and suc-
cess. There are few things in life that you fear
you cannot do; anything that is interesting
enough to try is important enough to you to
do well -- whether or not it makes one tiny bit
of difference to anyone else.
FRIDAY, AUGUST 21
LEO (July 23-Aug. 22) -- You may be
going around and around an issue without
dealing with it directly -- and the time has
come for you to dive in and make a change!
VIRGO (Aug. 23-Sept. 22) -- The closer
you get to your destination today, the more
relaxed you will feel and the more likely you
will be to agree to a diversion of sorts.
LIBRA (Sept. 23-Oct. 22) -- Answers
come to you by the bushful today, and you'll

want to be sure you are in a position to make
them pay off for you as soon as possible.
SCORPIO (Oct. 23-Nov. 21) -- You
approach a certain key issue with more clarity
than most today. Communicate as necessary
with all sides without revealing your own
stance.
SAGITTARIUS (Nov. 22-Dec. 21) --
There are a few secrets at play today that, if
uncovered, will make a very big difference to
you and those working with and for you.
CAPRICORN (Dec. 22-Jan. 19) -- You
may not understand the nuances of messages
received today, but the general meaning will
be plain -- and you must respond with alac-
rity!
AQUARIUS (Jan. 20-Feb. 18) -- That
which appears easy is likely to be surprisingly
difficult -- and vice versa. At least none of
your relationships is topsy-turvy!
PISCES (Feb. 19-March 20) -- Reveal too
much today and you lose the element of sur-

prise, but reveal too little and someone's
interest will wane. You must proceed care-
fully!
ARIES (March 21-April 19) -- You can
expect to encounter some twists and turns
today that will require you to be as nimble as
possible in your negotiations.
TAURUS (April 20-May 20) -- You may
not understand exactly why certain people
react to you the way they do today, but your
easy manner will help avoid real conflict.
GEMINI (May 21-June 20) -- You can
show someone how it's done today -- and you
can do so without attracting too much atten-
tion to yourself. This is a private affair.
CANCER (June 21-July 22) -- It may take
you more time than expected today to get
into someone's head and understand how he
or she is approaching a key situation.
