

What's Available **NOW** On

“Movie: The Courier”

Ukrainian model turned actress Olga Kurylenko (“Johnny English Strikes Again”) stars in this somewhat muddled 2019 thriller as a shadowy operative known only as The Courier, who finds herself drawn into a mission to protect a federal witness (Amit Shah) who is about to give testimony against crime lord Ezekiel Mannings (an eyepatch-wearing Gary Oldman). William Moseley, and Dermot Mulroney also star in the film, most of which takes place in a parking garage where The Courier and her charge become trapped.

“Movie: Primal”

Nick Powell’s 2019 action thriller casts Nicolas Cage as Frank Walsh, a big game hunter who specializes in capturing rare and often deadly species. His latest find is a white jaguar Frank plans to sell to a zoo for a small fortune, but for complicated reasons the ship he has booked to transport his latest animal haul also is carrying a notorious criminal to trial. En route, the bad guy releases several lethal critters. Famke Janssen, Kevin Durand, Michael Imperioli and LaMonica Garrett also star.

“The Boys”

This irreverent series about what results when superheroes abuse their powers returns for a second season and finds the Boys hunted by the Supes and desperately trying to regroup and fight back against Vought. Jack Quaid, Karl Urban, Laz Alonso and Karen Fukuhara are among cast returnees. (ORIGINAL) **Season Premiere**

“Pan y circo”

Mexican actor and filmmaker Diego Luna (“Narcos: Mexico,” “Rogue One: A Star Wars Story”) is the creative force and moderator of this talk show that brings together politicians, activists and different personalities to discuss issues of universal interest in contemporary society over a gourmet meal prepared by top chefs.
