111 Baker County Legal Notices

PUBLIC NOTICE
The Baker County Association of Conservation Districts will be holding their Annual Meetings as follows: Burnt River 11/3; Baker Valley 11/12; Eagle Valley 11/16; Keating 11/17. These meetings will be held via teleconference.

The Soil and Water Conservation Districts are uniquely tasked to work with local land-owners and the communities to develop opportunities that sustain and improve our communities, economy, and resources. Baker County is comprised of four Soil and Water Conservation Districts: Baker Valley, Burnt River, Eagle Valley and Keating, thus serving all areas of the county. Each district is able to provide technical, financial and educational resources that meet the needs of the local natural resource concerns. This in turn provides economic sustainability for the rural community while preserving the pristine beauty of Baker County. The SWCDs are able to help local land-owners and agriculture producers implement voluntary conservation projects through grants and USDA programs.

Please call the SWCD office at 541-519-2496 prior to the dates listed for call in information and meeting times
