HOROSCOPES by Stella Wilder

SATURDAY, OCTOBER 31, 2020 YOUR BIRTHDAY by Stella Wilder Born today, you are one of those varied, diverse and complicated individuals who, at first glance, may fool others into thinking you were born under any other sign but that of the Scorpion -- and this is something you actually enjoy! You don't like the idea of being "ordinary" in any way, and while the stars have bestowed upon you a great many traits and talents that do not seem to go together, that's not different enough for you. You strive to be "different" in all you do -- though often in very subtle ways that make a huge difference to those around you. In other words, you do and say things in small ways that make people stop in their tracks and consider carefully what you could mean!

SCORPIO (Oct. 23-Nov. 21) -- Your understanding of a certain troubling situation is expanded today -- thanks to the involvement of a member of your inner circle.

SAGITTARIUS (Nov. 22-Dec. 21) -- That

which affects you alone will be worth closer study, of course, but you may not have the time today. Put it on the list for tomorrow!

CAPRICORN (Dec. 22-Jan. 19) -- You'll be introduced to a concept which, very soon, may prove the centerpiece of something to which you are dedicating all your resources.

AQUARIUS (Jan. 20-Feb. 18) -- You'll progress far more quickly today if you determine just how each detail works together to make up the big picture. Integration is key!

PISCES (Feb. 19-March 20) -- You'll be balanced precariously between success and failure throughout much of the day. Ultimately, a quick decision tips the scales.

ARIES (March 21-April 19) -- There is a fine line between being helpful and being intrusive, and today you'll have to walk it with great care. Trust your instincts.

TAURUS (April 20-May 20) -- You may find that the actions of a rival prove inspiring today rather than discouraging. This relationship is ripe for change!

GEMINI (May 21-June 20) -- Pay attention to that which seems essential today, and you'll ensure that it is and remains so. A group effort surprises all involved.

CANCER (June 21-July 22) -- Someone makes an offer that you would be tempted to accept but for the unusual situation you find yourself in today. Take a rain check!

LEO (July 23-Aug. 22) -- You'll have the chance to make an early start today, and a project gets off the ground sooner than expected as a result. A rival sends a warning.

VIRGO (Aug. 23-Sept. 22) -- What you hear through the grapevine today must in no way throw you off of your game. You know a falsehood when you hear it, don't you?

LIBRA (Sept. 23-Oct. 22) -- You can take an idea that is past its prime and turn it into something that others would pay handsomely for -- and may in the days to come.
