HOROSCOPES by Stella Wilder

WEDNESDAY, NOVEMBER 11, 2020 YOUR BIRTHDAY by Stella Wilder Born today, you are always able to express yourself in the finest possible manner, often in a seductive way that earns you the trust and loyalty of virtually anyone with whom you communicate. What most others do not know, however, is that though you know how to treat everyone as if he or she were the only other person in the room, you save your true confidences and intimacies for only a special few - and once someone has forged that kind of relationship with you, it is likely to last a lifetime.

CAPRICORN (Dec. 22-Jan. 19) -- You may have some unpopular information to impart -- or at least that's what experience tells you. Today can be different. AQUARIUS (Jan. 20-Feb. 18) -- You must be willing to embrace the truth today -- as it will, according to the adage, set you free. Things get better almost immediately. PISCES (Feb. 19-March 20) -- If you find yourself suddenly in the wrong, admit it and work to undo any damage done. By no means should you double down on your mistake. ARIES (March 21-April 19) -- Your reputation may take a hit today, but you can recover quickly as long as you refuse to engage on an emotional level. Stick to business. TAURUS (April 20-May 20) -- You're getting back in the swing of things, and your efficiency level is increasing rapidly. Today is a good day to make a certain promise. GEMINI (May 21-June 20) -- You know what's expected of you, and that's part of the

problem. You want a few surprises to come your way -- and it won't be long now. CANCER (June 21-July 22) -- Your autonomy may be threatened by someone who seems to know things that you don't -- but you only have some of the necessary information. LEO (July 23-Aug. 22) -- What comes your way today is likely to challenge you in a new fashion. You were better off keeping emotions out of it; be sure to engage your brain! VIRGO (Aug. 23-Sept. 22) -- You may regret a certain exchange with a friend or loved one, but you needn't worry that it will be remembered for long. Be sure to move on! LIBRA (Sept. 23-Oct. 22) -- You may have no choice but to use a certain valuable tool for something that was not intended. Damage is light, and results are good.
