HOROSCOPES by Stella Wilder

TUESDAY, NOVEMBER 10, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are not always as confident as you seem to be, and when you have a crisis of confidence, you must rely on a precious few friends and loved ones who know you well and who understand that what you are going through is not something that can be waved away with a gesture or a snap of your fingers. Indeed, the fact that you harbor self-doubt, even when you are enjoying tremendous personal and professional success, is the great mystery of your entire life -- but it springs from an early sense that you are not worth all that comes to you.
WEDNESDAY, NOVEMBER 11
SCORPIO (Oct. 23-Nov. 21) -- Your schedule may have to be adjusted today when you hear what a partner hasn't yet done and what a rival has. You have to turn this around! **SAGITTARIUS** (Nov. 22-Dec. 21) -- You'll surely get into the swing of things quickly today, but one new endeavor may prove a stubborn nut to crack. Use your imagination.
CAPRICORN (Dec. 22-Jan. 19) -- You needn't attract a great deal of attention to yourself or your endeavors today. The longer you can keep a secret, the better.
AQUARIUS (Jan. 20-Feb. 18) -- You'll soon have the support you're after, but you're going to have to make a certain sacrifice in order to prove something to another.
PISCES (Feb. 19-March 20) -- The time has come for you to step back and let someone take charge for a while. Be ready to help when it's needed, but don't intrude.
ARIES (March 21-April 19) -- You may be tempted to push forward, despite any obstacles. This is surely a mistake as long as you remain uncertain about your own standing.
TAURUS (April 20-May 20) -- Those who know you best know that something isn't quite right -- though you're not yet at liberty to say what. Be ready to tell the tale.
GEMINI (May 21-June 20) -- You'll want

things to be held to the highest standards all day long, but not everyone knows what you know. You may be in charge!
CANCER (June 21-July 22) -- It's important for you to let things develop and evolve organically at this time. Today, for example, you mustn't buck certain trends.
LEO (July 23-Aug. 22) -- You are tempted to present yourself in such a way today that even those who know you best will be surprised. You must plan this with care!
VIRGO (Aug. 23-Sept. 22) -- You're in a better position than most today to see things the way they really are. Now is the time to make a decision about your immediate future.
LIBRA (Sept. 23-Oct. 22) -- You and a friend can make a pact today that will lead to a number of positive developments, but you mustn't expect them to start quickly.
