HOROSCOPES

by Stella Wilder

TUESDAY, NOVEMBER 17, 2020

YOUR BIRTHDAY by Stella Wilder

Born today, you consider yourself well-rounded and multitalented, and even when young, you no doubt thought highly of your budding abilities -- which are, to say the least, diverse. Others may call you a "know-it-all," but the fact of the matter is that you tend to know more than most about most things -- especially in the professional arena.

WEDNESDAY, NOVEMBER 18

SCORPIO (Oct. 23-Nov. 21) -- You are likely to be given free rein today to do that which has been forbidden in the past. You may have to ask yourself, "What's going on?"

SAGITTARIUS (Nov. 22-Dec. 21) -- Time is of the essence today. Be sure you approach all assigned tasks with the right attitude, or your efficiency will surely suffer.

CAPRICORN (Dec. 22-Jan. 19) -- It's quality that counts most today, not quantity -- but don't think that "too little" won't come

back to haunt you eventually.

AQUARIUS (Jan. 20-Feb. 18) -- That which comes to you naturally today may seem easy at first, but later on, it's going to be something you may wish you'd never acquired.

PISCES (Feb. 19-March 20) -- You'll be fighting more than one uphill battle today -- but none of them is likely to be your fault. Still, your leadership counts for much.

ARIES (March 21-April 19) -- You will want to arrange your day according to expectations -- but you must be willing to rearrange things if expectations are thwarted.

TAURUS (April 20-May 20) -- If you give someone a choice today, you'll want to stick with that choice. You can't throw in an additional element and expect results!

GEMINI (May 21-June 20) -- Confusion may result in miscommunication today -- but it can be quickly corrected as long as you are in a position to see things as they are.

CANCER (June 21-July 22) -- Your version of certain past events may come under some scrutiny today by those who have ulterior motives. In the end, you'll be vindicated.

LEO (July 23-Aug. 22) -- You must complete your part of a project before others can get started with theirs, so by all means, keep track of time and don't delay!

VIRGO (Aug. 23-Sept. 22) -- You must be sure that you've completed all assigned tasks today before you indulge in anything that is just for you alone.

LIBRA (Sept. 23-Oct. 22) -- Getting from here to there will involve much more than a simple "reservation" today, as you will choose to make the journey in an unusual way.

(EDITORS: For editorial questions, please contact Hollie Weirring at hweirring@amnewsval.com.)
