HOROSCOPES by Stella Wilder

SATURDAY, NOVEMBER 28, 2020

YOUR BIRTHDAY by Stella Wilder
Born today, you are fascinated with the idea of living, and with the prospect of making your way in the world in a manner that allows you to grow and make the most of your personal style, many unique desires and considerable talents. Finding out what life has to offer is one of your most enjoyable occupations; you will stop at nothing to uncover whatever it is before you that is hidden away and waiting to be unearthed and enjoyed.

SUNDAY, NOVEMBER 29
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll want to share your work with someone who has been immersed in a similar project in the past. You can receive invaluable guidance.

CAPRICORN (Dec. 22-Jan. 19) -- You don't always have to do things exactly as you've been instructed today -- but it's a good place to start. Improvisation is helpful.

AQUARIUS (Jan. 20-Feb. 18) -- You may think that you have all the answers today -- but think again! One question in particular proves a very stubborn knot to untie.

PISCES (Feb. 19-March 20) -- You'll feel the gravitational pull today from someone whose charisma is virtually irresistible. This opens up a new door or two.

ARIES (March 21-April 19) -- You'll view the events of the day from your own perspective, surely, but someone's viewpoint will prove valid in a moment of stress.

TAURUS (April 20-May 20) -- You may not make headway today as quickly as you had hoped, but progress is progress -- no matter how fast you're moving. Don't become downcast!

GEMINI (May 21-June 20) -- The changes you detect in the wind needn't be feared -- but then, you don't have to agree with all of them either. Consider them one by one.

CANCER (June 21-July 22) -- Follow your own previous model today and you'll surely produce something of value. Now may not be the time to start something from scratch.

LEO (July 23-Aug. 22) -- You are trying to accomplish something that others will appreciate -- but you mustn't get lost in the big picture. Tend to the details right now.

VIRGO (Aug. 23-Sept. 22) -- You mustn't misinterpret someone's instructions as "orders." Today there is certainly room for you to do some things your way.

LIBRA (Sept. 23-Oct. 22) -- Time is of the essence today; you don't want to find that you've wasted it by trying to organize it too closely. You must get started!

SCORPIO (Oct. 23-Nov. 21) -- Something is likely to happen today that knocks you down a peg or two -- at least in your own mind. This reality check is important.
