HOROSCOPES by Stella Wilder

TUESDAY, DECEMBER 1, 2020

YOUR BIRTHDAY by Stella Wilder

Born today, you are not always able to do things entirely your own way, but even when this is so, you can be counted on to maintain your own sense of style -- and you can often get the best results when you follow instructions in a manner that is imitatively your own. Indeed, style and substance, together, are your true metier, and nobody approaches tasks, whether routine or unusual, the way you do -- and still you are able to win the approval of those in charge.

WEDNESDAY, DECEMBER 2

SAGITTARIUS (Nov. 22-Dec. 21) -- You've already made a plan, so why are you trying to make a new one to put in its place? You may have nonnegotiable regulations to follow.

CAPRICORN (Dec. 22-Jan. 19) -- Now is not the time for quitting anything! Buckle down and commit yourself to accomplishing what you've put in motion -- for everybody.

AQUARIUS (Jan. 20-Feb. 18) -- You may be fearing a showdown of sorts -- but when it happens, you'll likely find that you have the advantage. You'll play to win.

PISCES (Feb. 19-March 20) -- You may find yourself moving slowly in a direction you never anticipated -- and what happens as a result teaches you much about yourself.

ARIES (March 21-April 19) -- You are fatigued and somewhat frustrated perhaps, but you mustn't let that slow you down, especially since you are so near the finish line!

TAURUS (April 20-May 20) -- You are doing all you can to make some decisions, but today you may discover that you don't really have any to make. You must follow the rules.

GEMINI (May 21-June 20) -- Your ability to see to the heart of a problem will surely serve you well today -- and many will come to you seeking viable solutions.

CANCER (June 21-July 22) -- You can be much more creative today than you had originally planned, and that will sustain you through one or two difficult moments.

LEO (July 23-Aug. 22) -- You must put your best foot forward today -- and, by all means, resist the temptation to be witty or clever when faced with a certain announcement.

VIRGO (Aug. 23-Sept. 22) -- A collaboration takes an odd turn today, but you should be able to get back on track quickly -- especially if you learn from what happens.

LIBRA (Sept. 23-Oct. 22) -- You are eager to get started on a project you've been planning for some time -- even though the result will differ from the ideal.

SCORPIO (Oct. 23-Nov. 21) -- You must trust in fate today as you seek the best option for dealing with a tough situation, as a few key decisions will be made for you.
