HOROSCOPES

WEDNESDAY, DECEMBER 2, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you are always available for whatever new opportunity presents itself, and your life's task will be to ensure that you are not only available, but prepared! To be the former is one thing, but the latter is absolutely indispensable to you if you expect to enjoy any lasting success -- professional or personal. This means that you must not only know how to do what you may be called upon to do -- and do it well -- but also to maintain the emotional and spiritual stability required to go the distance when opportunity calls.

THURSDAY, DECEMBER 3
SAGITTARIUS (Nov. 22-Dec. 21) -- It may take some time today to devise a way out of someone's "trap," but you can surely get it done -- and free yourself and others.

CAPRICORN (Dec. 22-Jan. 19) -- You're likely to find more than you might hope for when searching for bargains today. You can have what you want -- and then some.

AQUARIUS (Jan. 20-Feb. 18) -- You're

not likely to know why others are gravitating toward you today until you're in the midst of quite a crowd -- then it will all make sense.

PISCES (Feb. 19-March 20) -- You mustn't let environmental factors hold you back today. Any interference the weather presents is only psychological.

ARIES (March 21-April 19) -- You've made your plans, and now you may put them in motion, but be sure that someone claiming to be on your side isn't really some kind of spy!

TAURUS (April 20-May 20) -- It's time once again to look back and assess your recent course. Are you traveling in the right direction -- and at the best possible pace?

GEMINI (May 21-June 20) -- You have what it takes to do things today that no one else can do -- and though they may seem trivial to you, someone finds them monumental.

CANCER (June 21-July 22) -- You have much in common with someone who seems to be working against you -- but many ques-

tions are answered when you share this suspicion.

LEO (July 23-Aug. 22) -- You're waiting for something to make a difference today, but the only thing that can do that is your attitude -- after you adjust it!

VIRGO (Aug. 23-Sept. 22) -- You may not have it in you to do the one thing you've been asked to do. Instead, you can offer to make up for it in a wholly unique fashion.

LIBRA (Sept. 23-Oct. 22) -- A friend questions you about your loyalties, but nothing you say is likely to change how you or anyone thinks about a current situation.

SCORPIO (Oct. 23-Nov. 21) -- You're in no mood to have your suspicions verified today. Steer clear of those who may know something you don't -- at least for the time being.
