help wanted column find a new  
and challenging job for you.

HOROSCOPES

by Stella Wilder

SATURDAY, DECEMBER 5, 2020  
YOUR BIRTHDAY by Stella Wilder  
Born today, you can claim to be highly  
intellectual, for you are -- but you are also  
quite emotional and impulsive, and when you  
let that side of your character take command  
of the rest of you, everyone around you must  
use caution, for you may do or say things that  
upset the apple cart and leave a good deal of  
trouble in your wake. Fortunately, this does  
not happen often, and even when it does, you  
are quick to do all you can to remedy the situ-  
ation -- including recognizing and apologiz-  
ing for your part in the trouble, which was, of  
course, significant!  
SUNDAY, DECEMBER 6  
SAGITTARIUS (Nov. 22-Dec. 21) --  
You'll want to see things fully unfurled before  
you today -- and this is wise. Piecemeal  
delivery of visual cues can't help much.  
CAPRICORN (Dec. 22-Jan. 19) -- You  
don't necessarily have to follow the same  
rules as most others today -- but that doesn't  
mean you can disregard them altogether.  
AQUARIUS (Jan. 20-Feb. 18) -- Someone  
is closely following you today -- but why?  
You'll want to determine the possible reason  
before dealing with the encroachment.  
PISCES (Feb. 19-March 20) -- A rendez-  
vous of sorts is in the works for today -- but  
you may be suspicious of someone's motives.  
Get all available information firsthand.  
ARIES (March 21-April 19) -- Your own  
insecurities must not be allowed to stand in  
your way today. Shrug them off and move  
forward with confidence; you have much to  
gain.  
TAURUS (April 20-May 20) -- You and a  
friend are likely to differ on a major issue  
today, but that doesn't mean you can't work  
around this sticking point -- or talk it out.  
GEMINI (May 21-June 20) -- Your ability  
to see what is invisible to most others will  
surely serve you well today -- but some of  
what lies before you will give you pause.  
CANCER (June 21-July 22) -- You'll be

counting the minutes today until you are off  
the hook for something you did recently that  
you are very eager to forget.  
LEO (July 23-Aug. 22) -- You are able to  
make things more accessible to others today  
than they would ordinarily be -- and even the  
most complex issues are clear right now.  
VIRGO (Aug. 23-Sept 22) -- You are eager  
to share what you learn with someone who  
can help you use the information to speed  
things up as you move forward -- together.  
LIBRA (Sept. 23-Oct. 22) -- Progress is  
made step by step today, not in one fell  
swoop. This works for you because your  
attention span is oddly short at this time.  
SCORPIO (Oct. 23-Nov. 21) -- It's a good  
day for taking in all you possibly can of what  
is available to you. If you find you have too  
much, share with those around you.
