HOROSCOPES

SATURDAY, DECEMBER 19, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are not only to be found
where the action is, but you can also be
counted on to be thinking about the whys
and wherefores of what you are doing -- and
what all those around you are doing as well.
You combine perfectly the intellectual and
the physical in all that you do, though you do
try to keep emotion out of the picture as
much as possible, for you do not believe that
aspect of your personality really helps you in
either your personal life or your professional
affairs.
SUNDAY, DECEMBER 20
SAGITTARIUS (Nov. 22-Dec. 21) -- You
must get used to recent changes more quickly
than expected. Today you'll have little room
to capricorn you get things rolling.
CAPRICORN (Dec. 22-Jan. 19) -- You'll
want to dispense with any and all disguises or
deceptions today. Open, honest talk is your
only road toward solving a key problem.

HOROSCOPES

AQUARIUS (Jan. 20-Feb. 18) -- You'll
have a better chance of getting a certain thing
done if you do it without anyone knowing.
You must keep distractions to a minimum.
PISCES (Feb. 19-March 20) -- The more
straightforward you are throughout the day,
the more likely you will be to get where you're
going in time to make a difference.
ARIES (March 21-April 19) -- You may
not realize just how much you are influencing
the decisions of others today. Once the results
become clear, you'll know the truth.
TAURUS (April 20-May 20) -- You can
arrange to have things very much as you
would like them to be, despite an early diffi-
culty that costs you both time and money.
GEMINI (May 21-June 20) -- You are
committed to a certain project, come what
may. Today you'll want others to know just
how much you have at stake -- and why.
CANCER (June 21-July 22) -- You are far
more motivated today than yesterday, and yet
the reason may be unclear. Later, you'll

understand more of what has been going on.
LEO (July 23-Aug. 22) -- You should be
able to give someone an opportunity to excel
today, even as you take advantage of one
yourself. It's a good partnership!
VIRGO (Aug. 23-Sept. 22) -- You've
reached a point in a current project where
you are better off slowing down -- or stopping
entirely -- to take stock of how much more
there is to do.
LIBRA (Sept. 23-Oct. 22) -- You're likely
to be assigned something that doesn't sit well
with you at first -- until you realize that seem-
ing dangers are illusory.
SCORPIO (Oct. 23-Nov. 21) -- You must
keep your motives squarely in mind today as
you do things that don't seem to be justified.
The truth becomes apparent later on.

HOROSCOPES

SUNDAY, DECEMBER 20, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are something of a "cen-
trist," one who believes that moderation in all
things is worth striving for, and that any
extreme view will only serve to bring you
down in some way. You do all you can to
demonstrate this belief in moderation, and
others can count on you to understand and
explain as necessary the various competing
views in any situation.
MONDAY, DECEMBER 21
SAGITTARIUS (Nov. 22-Dec. 21) -- A
little trial and error can help you solve a
problem today -- and you'll prove that some-
one's way isn't necessarily the right way.
CAPRICORN (Dec. 22-Jan. 19) -- You'll
be able to take a good run at something and
get much of it done before your time is up
today. This effort is likely to be remembered!
AQUARIUS (Jan. 20-Feb. 18) -- There's
no time for showboating today; you must get

the work assigned to you done in the most
straightforward and efficient manner.
PISCES (Feb. 19-March 20) -- Background
noise proves to be much more than a mere
distraction today. Indeed, it gives you all the
information you need to solve a big mystery.
ARIES (March 21-April 19) -- You may
realize that you've yet to thank someone who
has been instrumental in your own recent
success. There's no time like the present!
TAURUS (April 20-May 20) -- Things not
within your control can still be studied, and
once studied, they can be understood. That
understanding will soon prove essential.
GEMINI (May 21-June 20) -- You can
increase both productivity and personal
enjoyment today, without stepping on any-
one's toes. This is above all a personal matter.
CANCER (June 21-July 22) -- What goes
on behind closed doors today may offer no
end of entertainment and even intrigue -- but
it is really worth it to you?

LEO (July 23-Aug. 22) -- You uncover a
falsehood today and get things going in the
right direction once more. Someone is going
to have to give way to you as a result.
VIRGO (Aug. 23-Sept. 22) -- The deci-
sions you make today will all make sense
once they are clearly explained. Until then,
however, some around you may be quite
confused.
LIBRA (Sept. 23-Oct. 22) -- Are you able
to be critical of your own work today? If so,
you'll almost certainly identify one or two
things that can be improved right away.
SCORPIO (Oct. 23-Nov. 21) -- You're
tempted to make contact with someone who's
been out of the picture for some time, but it'll
be hard to anticipate what will happen next.

MONDAY, DECEMBER 21, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are a strong-willed and
eager individual, always at the forefront of
anything that is going on, ready to bear what-
ever burden is necessary to make things work
out favorably -- both for you and for anyone
working with you. You have a keen mind and
an able body; you are never truly out of your
depth, and you are more than willing to try
something new when the opportunity arises.
You recognize that not everyone is suitable
for every activity or endeavor, but that doesn't
mean one can't try everything.
TUESDAY, DECEMBER 22
CAPRICORN (Dec. 22-Jan. 19) -- You
can combine employment and enjoyment
today if you think about what lies ahead in a
new way. Your creativity reaches a high point.
AQUARIUS (Jan. 20-Feb. 18) -- You'll
want to figure out just how much your ideas
are worth before you spread them around for
free. You mustn't sell yourself short today!

PISCES (Feb. 19-March 20) -- Your per-
ception of a negative may be entirely mislead-
ing. You'll have to sound out others to find
out how you're leading yourself astray.
ARIES (March 21-April 19) -- Now is no
time to sugarcoat things. Speak from the
heart, but tell it like it is -- and don't let any-
one tell you you're being negative.
TAURUS (April 20-May 20) -- Your pros-
pects are looking up just as the odds of suc-
cess are on the rise. Give yourself a break; you
can't do everything all at once.
GEMINI (May 21-June 20) -- You'll get a
great deal of information today from some-
one who works behind the scenes. Soon
you'll be able to put it to good use; plan
ahead.
CANCER (June 21-July 22) -- You mustn't
simply let things develop as they will today;
you must take charge and exert a controlling
influence. Others are counting on you.
LEO (July 23-Aug. 22) -- You'll be cap-
tured once more by an interest you thought

you had given up quite some time ago.
Something is going on to make it relevant
again.
VIRGO (Aug. 23-Sept. 22) -- Focus on
tasks you know you can complete in one go.
The rest can wait until you've made a plan
and arranged for some assistance.
LIBRA (Sept. 23-Oct. 22) -- Someone is
trying to reach you about something you're
likely trying to avoid. There's no point in
stretching this out further; answer the call!
SCORPIO (Oct. 23-Nov. 21) -- You may
be waiting for a friend to give you the final
word before putting a new project into
motion. A false start can be dangerous.
SAGITTARIUS (Nov. 22-Dec. 19) -- Once
they start bombarding you today, interrup-
tions will have to be dealt with, as they won't
disappear on their own, surely.
