HOROSCOPES by Stella Wilder

WEDNESDAY, DECEMBER 23, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you have one of the most pow-
erful and memorable personalities born
under your sign. This doesn't mean that you
are aggressive, defensive or combative in any
way, however; on the contrary, you balance
your vibrant character with an easygoing
manner and a willingness to let bygones be
bygones whenever possible. You are closely
tied to tradition and heritage, but you are also
eager to push the envelope and see if you can
do things in a way that brings innovation into
your life and the lives of those by your side.

THURSDAY, DECEMBER 24
CAPRICORN (Dec. 22-Jan. 19) -- You
may be tempted to do something today that
you know you should not -- but you have
determined that certain rare gains will result.

AQUARIUS (Jan. 20-Feb. 18) -- What you
see and hear today may become confused as
you try to reconstruct some key events that
someone will surely ask you to remember.

PISCES (Feb. 19-March 20) -- A question
of taste may arise today after you share cer-
tain preferences with others. This is a differ-
ence you needn't try to sort out.

ARIES (March 21-April 19) -- Others may
consider a certain issue important enough to
examine at length today, but you feel that
your focus, anyway, should be elsewhere.

TAURUS (April 20-May 20) -- The more
you review certain facts today, the more likely
you will be to arrive at the same conclusion
you reached originally. What's changed?

GEMINI (May 21-June 20) -- You're
tempted to skip the preliminaries and get
right to the heart of the matter, but this would
be a mistake today. Start at the beginning!

CANCER (June 21-July 22) -- Someone
far from home is trying to get in touch with
you. This has you wondering what else you
may be missing by keeping your distance.

LEO (July 23-Aug. 22) -- A friend is eager
to reestablish some kind of meaningful inter-
action with you after a long period spent

apart. Is it really worth it?

VIRGO (Aug. 23-Sept. 22) -- You may be
contacted by those who are eager for you to
take the blame for something that was
unavoidable -- but you mustn't take the bait.

LIBRA (Sept. 23-Oct. 22) -- You may
stumble upon something that makes sense of
a long-standing mystery. Now that you've
figured it out, you can set it aside for good!

SCORPIO (Oct. 23-Nov. 21) -- Now is not
the time to join forces with someone who
simply wishes to upset the status quo. This
would be a waste of time and energy!

SAGITTARIUS (Nov. 22-Dec. 21) -- You
can enjoy a real sense of accomplishment
today by following your instincts where they
lead you and doing that which you cannot
resist.
