HOROSCOPES

by Stella Wilder

SATURDAY, JANUARY 9, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you seem to understand on an instinctive level what it means to get, main-
tain and use power -- both in your personal
life and your professional affairs. Indeed,
you're likely to be driven by a desire for power
in all its forms from early childhood, when
your attempts to be at the top of the heap
may, at times, be misunderstood by parents,
siblings and friends. You never seem all that
concerned with what other people think of
you.

SUNDAY, JANUARY 10
CAPRICORN (Dec. 22-Jan. 19) -- You
may be self-conscious about something that
you are eager to hide -- but there's no need.
Everyone who counts will be supportive!

AQUARIUS (Jan. 20-Feb. 18) -- Are you
aware of all that is going on around you at this
time? If not, you can get the information you
most need from a trusted friend.

PISCES (Feb. 19-March 20) -- You may
find yourself in a pickle today, and you'll real-
ize -- after talking things over with a mentor
-- that it's now or never. Act fast!

ARIES (March 21-April 19) -- Your curi-
osity about a certain issue may tempt you to
cross a boundary of sorts -- and that's when
the trouble really starts. Resist this!

TAURUS (April 20-May 20) -- A deadline
is soon to be upon you, and you know what
you have to do to get everything done on time
-- and, possibly, under budget.

GEMINI (May 21-June 20) -- The familiar
usually gives you comfort in times of stress,
but today it's the familiar that will likely prove
most stressful. Lean on a friend.

CANCER (June 21-July 22) -- You may
feel disconnected from those who are most
important to you -- and they are likely to feel
the same. Get in touch and make a plan!

LEO (July 23-Aug. 22) -- You can muster
all the courage you need today; all you have

to do is follow in the footsteps of someone
you look up to and trust.

VIRGO (Aug. 23-Sept. 22) -- "Right" and
"wrong" may become hopelessly tangled
today, and only you can sort things out before
other parties get locked in conflict.

LIBRA (Sept. 23-Oct. 22) -- It's a good day
to give your belief system a once-over. You
may discover that certain things you've taken
for granted are no longer true.

SCORPIO (Oct. 23-Nov. 21) -- A new and
important project can be started today -- but
the going may be quite slow to begin with.
Measure progress in small increments.

SAGITTARIUS (Nov. 22-Dec. 21) --
Those who are trying to get in touch with you
may find that you're not all that responsive
right now, as your own issues require atten-
tion.
