HOROSCOPES

by Stella Wilder

WEDNESDAY, JANUARY 13, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are the kind of person who can get things done, surely -- and often things that no one else is able to do. Much depends, however, upon how you begin: Make a strong start and you can make your dreams come true, but dilly-dally, delay and vacillate and you are sure to disappoint yourself and those around you who are depending on you.

THURSDAY, JANUARY 14
CAPRICORN (Dec. 22-Jan. 19) -- You'll have a little more energy today than you did yesterday perhaps, but you may not know until late in the day what to do with it.

AQUARIUS (Jan. 20-Feb. 18) -- You can thwart someone who wishes to derail you today -- though long-term effects may not be seen right away. Someone lends you a hand.

PISCES (Feb. 19-March 20) -- It may be time for you to step away from a job that has

been taking up far too much of your time. What comes next? A friend has an idea!

ARIES (March 21-April 19) -- Your luck is likely to improve somewhat today, though someone else may be the beneficiary. Your gains will be made on another day.

TAURUS (April 20-May 20) -- The road ahead is long, but you know how to navigate the twists and turns. Someone else can learn from you as you prepare for the journey.

GEMINI (May 21-June 20) -- Troubles you'd put behind you some time ago are likely to resurface today, but not in the way you may have feared; you can avoid reliving them.

CANCER (June 21-July 22) -- You'll be able to pick up the pace today without risking any of the good work that lies ahead. You're in the groove and ready for more.

LEO (July 23-Aug. 22) -- Physical or emotional ills needn't hold you back today. You can move forward even while dealing with

personal situations that are not ideal.

VIRGO (Aug. 23-Sept. 22) -- Things are likely to make more sense when you've had a chance to reflect on them -- and that won't be until after dark, most likely.

LIBRA (Sept. 23-Oct. 22) -- Someone comes to you with a special request, perhaps -- and you're in a position to grant it, provided you aren't going to lose any sleep over it.

SCORPIO (Oct. 23-Nov. 21) -- The difference between "seems" and "is" may be a mystery to you today, until someone unearths proof of something that is a sure thing.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are moving closer to someone who has been only a peripheral part of your life in the past. Things take on a whole new meaning.
