HOROSCOPES by Stella Wilder

THURSDAY, JANUARY 14, 2021

YOUR BIRTHDAY by Stella Wilder

Born today, you are always filled with ideas -- ideas about the world and the people in it, ideas about the cosmos, ideas about meta-physical theory and phenomena, and ideas about what to have for lunch or dinner. You were born to put your brain to work, and by doing so, you will certainly ponder all manner of issues throughout your lifetime, from the most esoteric and philosophical to the more practical and routine.

FRIDAY, JANUARY 15

CAPRICORN (Dec. 22-Jan. 19) -- You may be getting quite close to someone in a way that is not wholly intended. Be sure to ask permission before getting any closer!

AQUARIUS (Jan. 20-Feb. 18) -- You know what's what when it comes to closing a business deal today -- but someone may think you're being premature in expressing confidence.

PISCES (Feb. 19-March 20) -- You'll receive assistance from someone you do not recognize at first -- but soon you'll realize this is a familiar collaborator.

ARIES (March 21-April 19) -- When it's time for someone to take charge today, you'll be everyone's No. 1 choice. Be ready to make a few decisions very quickly.

TAURUS (April 20-May 20) -- You're ready to do something you've not done before -- but take care that you're not simply opening yourself up to criticism.

GEMINI (May 21-June 20) -- Someone's judgment may differ from your own -- but you can be confident that you are in the right and will avoid any undue scrutiny.

CANCER (June 21-July 22) -- A new venture begins to take shape in your head or on paper. Give someone a chance to look things over; you'll benefit from a second opinion.

LEO (July 23-Aug. 22) -- A team effort allows you to see things in a way you haven't before. Soon you'll be ready to adopt a whole new way of doing certain things.

VIRGO (Aug. 23-Sept. 22) -- You may discover at the center of your private world a presence that comes as a complete surprise. A new relationship is just beginning.

LIBRA (Sept. 23-Oct. 22) -- You may be wondering what others are up to today, but you're not willing to risk what you're working on to join in -- yet. Wait for more information.

SCORPIO (Oct. 23-Nov. 21) -- You're in no mood for a fight today, so steer clear of someone who is in the habit of pushing your buttons. You'll get private work done.

SAGITTARIUS (Nov. 22-Dec. 21) -- You're making strides, surely, but you are still doubting your own motives. Take the time to review what others say about you -- and why.

(EDITORS: For editorial questions, please contact Hollie Weirring at hweirring@universityofcalifornia.edu.)
