LET IT BE KNOWN TO ALL PERSONS of the County of Baker that discrimination in the sale, rental, lease, advertising of sale, rental or lease, financing of housing or land to be used for construction of housing, or in the provision of brokerage, rental services because of race, color, sex, disability (physical or mental), familial status (children) or national origin is prohibited by Title VIII of the federal Fair Housing Amendments Act of 1988. YOUR BIRTHDAY by Stella Wilder

Born today, you seem, to many, to be a mass of contradictions, and it can be quite difficult to "pin you down" in any way, because your lifestyle and your belief system are so complex -- and unique. The truth is, however, that those who know you well know you to act entirely in character, no matter what you do -- because they recognize that each of your traits and skills is informed by all the others, and so you are actually quite an integrated personality with abilities that reflect very honestly who you are.

MONDAY, JANUARY 18

CAPRICORN (Dec. 22-Jan. 19) -- Without a sense of purpose you're not likely to be productive today -- and someone you know well will provide exactly what you need.

AQUARIUS (Jan. 20-Feb. 18) -- You can't very well expect a certain someone to give you what you want if you aren't willing to say

it. Mind reading is unreliable!

PISCES (Feb. 19-March 20) -- You may have the chance today to re-create certain enjoyable circumstances from the recent past -- but not everyone will appreciate the effort.

ARIES (March 21-April 19) -- You can expect your day to progress according to plan until a surprise encounter throws it into temporary disarray. You'll recover, surely!

TAURUS (April 20-May 20) -- You may be getting yourself into something that you won't be able to get out of quickly should you so desire. Think twice before committing.

GEMINI (May 21-June 20) -- You needn't spend time explaining yourself to those around you today. Trust that they will come to understand what you're doing in time.

CANCER (June 21-July 22) -- Anyone who likes what you like will make for fine company throughout a day that is full of options for both work and play. Get started!

LEO (July 23-Aug. 22) -- Just because you have work to do today doesn't mean you can-

through norms as you prepare for tomorrow.

PISCES (Feb. 19-March 20) -- A discovery takes you further than you ever thought you'd go today -- literally or figuratively. A family member helps you over a hurdle.

ARIES (March 21-April 19) -- The powers that be are not interested in excuses today -- but you can provide one or two good reasons that get them thinking in a new way.

TAURUS (April 20-May 20) -- You can shower others with what they need today and enjoy some good things in return as the adage "what goes around comes around" holds true!

GEMINI (May 21-June 21) -- Your ability to see through the cloudiest of issues and shine light on the central truth will serve you and others well all day today.

CANCER (June 21-July 22) -- Things being what they are, you're not likely to achieve much out of the ordinary today. Routine tasks at home, however, count for much.

LEO (July 23-Aug. 22) -- You may have to do things more quickly than you had

not give someone younger than you a little more time than usual. By all means, do so!

VIRGO (Aug. 23-Sept. 22) -- Your style is unique and recognized by many -- but you cannot simply rely on style to see you through today. Substance counts for much right now!

LIBRA (Sept. 23-Oct. 22) -- You must take seriously any and all warnings you receive -- but especially those that come from a source that doesn't usually make itself heard.

SCORPIO (Oct. 23-Nov. 21) -- The currents you'll be battling today come from within. Be sure to give someone a little more room than usual. You stumble upon a bargain.

SAGITTARIUS (Nov. 22-Dec. 21) -- It's a fine day to share your plans with someone who you hope will want to join in the fun -- but his or her reaction may surprise you.

planned, but that shouldn't be a problem if your preparations have been comprehensive.
VIRGO (Aug. 23-Sept. 22) -- There are those who will wonder what you're waiting for, but those who know you best understand you need things to stack up "just so."

LIBRA (Sept. 23-Oct. 22) -- You may be reminded of why you harbor certain doubts and fears today. At the same time, you'll realize you needn't hold on to them forever.

SCORPIO (Oct. 23-Nov. 21) -- A piece of news takes on a life of its own today as you move forward making sure that others understand the implications of what you've heard.

SAGITTARIUS (Nov. 22-Dec. 21) -- If it's a companion you want, you may have one -- but if you make the wrong decision, you're likely to regret much you do today.
