**HOROSCOPES** by Stella Wilder

FRIDAY, JANUARY 22, 2021  
YOUR BIRTHDAY by Stella Wilder  
Born today, you know how to ignite the passions of others and keep them aflame for a long, long time -- and those who come under your unique spell are sure to remain so for years and years, if not for life. This is not necessarily a matter of love and romance, however! Indeed, you work on a level of ideals and principles and inspire others to think, feel, believe and do those things that give meaning to their lives and provide them with opportunity and reward.  
SATURDAY, JANUARY 23  
AQUARIUS (Jan. 20-Feb. 18) -- You may be having second thoughts about something that was a "sure thing" only yesterday. This is a natural and necessary progression.  
PISCES (Feb. 19-March 20) -- You feel as though you are not in the best position to see things as they really are; trust a friend to guide you through a personal minefield.

ARIES (March 21-April 19) -- Your creative spirit is eager to be released, but today may not be the day. You must wait your turn and prepare for expected opportunities.  
TAURUS (April 20-May 20) -- It's a good day to revisit one of your old plans. You are willing to jump right into a situation that others are avoiding. Keep your head up!  
GEMINI (May 21-June 20) -- You may resent having to ask for permission to do a certain something today, but it's certainly nothing to avoid -- and you want to move ahead!  
CANCER (June 21-July 22) -- Doing things the way they've always been done may be the easy path today -- but that's not your way, especially now. Do what you must.  
LEO (July 23-Aug. 22) -- You may not be able to settle a dispute that rises from a simple misunderstanding today -- but that doesn't mean it should be on your docket tomorrow.  
VIRGO (Aug. 23-Sept. 22) -- You're trying to be discreet, even secretive, but someone out there knows just what you are doing and why. You must come out from hiding.  
LIBRA (Sept. 23-Oct. 22) -- You'll want to review recent activities today in order to assess your standing among your competitors. You've reason to be confident!  
SCORPIO (Oct. 23-Nov. 21) -- A simple decision proves harder to make today than expected because certain variables have yet to be recognized, much less understood.  
SAGITTARIUS (Nov. 22-Dec. 21) -- You're misinterpreting someone's actions; do not let yourself be fooled into thinking that you're being attacked in some way.  
CAPRICORN (Dec. 22-Jan. 19) -- You may be able to take control of a situation that is getting out of hand -- but take care you don't try to assume too much power too soon.
