HOROSCOPES by Stella Wilder

SUNDAY, JANUARY 24, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you know how to make the common uncommon, the usual unusual and the expected largely unexpected -- and all because you do things in a manner that is uniquely and forever your own. And those things are often not altogether unusual in themselves, but the way you do them gives them a new sheen, a new patina -- and they often yield entirely different results when you do them. You do not seek to be different, but you naturally bring something very special to everyday endeavors -- and others are often won over not only by what you do but by the way you do it. For you, style and substance are intertwined, and the one inevitably informs the other again and again.
MONDAY, JANUARY 25
AQUARIUS (Jan. 20-Feb. 18) -- A serious issue arises today that demands some major attention. You must make it clear to those around you that you need to work!
PISCES (Feb. 19-March 20) -- You may find yourself sharing some secret information

with someone you've only just met. Despite another's warnings, all will be well.
ARIES (March 21-April 19) -- Though you may have turned your back on certain aspects of your heritage, today you'll be compelled to engage in something traditional.
TAURUS (April 20-May 20) -- The moment you are satisfied with your to-do list today, your priorities around the house or at the workplace change dramatically.
GEMINI (May 21-June 20) -- You'll enjoy a demonstration given by someone who thinks he or she is the cream of the crop, but when you take your turn, the truth becomes clear.
CANCER (June 21-July 22) -- You must follow instructions today and do things in the proper order. If you do not, evening hours may prove quite difficult.
LEO (July 23-Aug. 22) -- You and a former partner may have to work out your differences today -- right away -- if you are going to proceed to the next degree of business.
VIRGO (Aug. 23-Sept. 22) -- Special permission is not likely to be granted to you

today, but there are ways you can get around this -- if you're feeling adventurous!
LIBRA (Sept. 23-Oct. 22) -- A minor setback is reversed in dramatic fashion today, and you begin scoring points as you work your way toward a goal that has great meaning.
SCORPIO (Oct. 23-Nov. 21) -- You may have to stop what you are doing and use great care as you interpret messages that come your way today. There is little room for error.
SAGITTARIUS (Nov. 22-Dec. 21) -- You do know what you have to do today in order to move past this tricky crossroads, don't you? Now is the time to do it!
CAPRICORN (Dec. 22-Jan. 19) -- The stars have aligned themselves in such a way that you may find yourself making faster progress on your own than in the company of others.

MONDAY, JANUARY 25, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most honest, insightful and expressive individuals born under your sign. You are always looking for ways to illuminate and explain the important issues of the day to those who otherwise would be in the dark, and you know how to attract an audience -- and keep it entertained and informed. You are highly charismatic, yet there are times when you prefer to deprive others of your company -- usually when you are feeling somehow overwhelmed by those aspects of daily life that require a more practical, disciplined approach than you are wont to have.
TUESDAY, JANUARY 26
AQUARIUS (Jan. 20-Feb. 18) -- Surprises may be few today, but they are likely to stop you in your tracks not once, but perhaps two times. Tomorrow meets expectations.
PISCES (Feb. 19-March 20) -- You're eager to make progress and show your critics that they don't really know who you are or

what you can do. Trust your instincts.
ARIES (March 21-April 19) -- Hard work yields the results you are after today, but you may have to walk the fine line between what is acceptable and what is not.
TAURUS (April 20-May 20) -- Keep your head in the game today or you're likely to make the kind of mistake that costs you dearly and is hard to live down!
GEMINI (May 21-June 20) -- Your records indicate something that happened some time ago may have to be revisited soon. Today you can devote to preparation.
CANCER (June 21-July 22) -- What you do today may surprise those who know you best, for they are thinking along familiar lines -- but you're trying something new!
LEO (July 23-Aug. 22) -- You can avoid almost all accidents today simply by keeping your head up, your eyes and ears open, and your mind receptive to all possibilities.
VIRGO (Aug. 23-Sept. 22) -- Your creative talents can be put to good use today as you address a practical problem raised by

someone in your inner circle. Don't hold back.
LIBRA (Sept. 23-Oct. 22) -- You'll try something today that you may be tempted to explore further when all is said and done -- but that opportunity may not come immediately.
SCORPIO (Oct. 23-Nov. 21) -- Your routine may be affected today by someone's faulty thinking or dangerous decision-making. This threat needn't last long.
SAGITTARIUS (Nov. 22-Dec. 21) -- Take care that your reaction to the unexpected doesn't reveal something about yourself that you've been trying to conceal of late.
CAPRICORN (Dec. 22-Jan. 19) -- What you remember today is likely to inspire you to do something new and different -- which will be a creative blend of the old and new.
