Home renovation shows often make remodeling projects look straightforward and uncomplicated, so it’s no wonder many novice DIY laborers bite off far more than they can chew with their domestic repairs. Before they know it, they’re in way over their head and must call in an expert. If they happen to live in the Detroit area, their repair savior may be Nicole Curtis, who often discovers the hapless clients have started multiple projects but left them unfinished. She tries to get them back on track in this new home series.
