**YOUR BIRTHDAY** by Stella Wilder  
Born today, you know how to wait your turn and then, when that turn finally comes, you make the most of it to ensure you rarely if ever have to wait your turn like that, again. You have a number of rare talents, and you will want an early age to be given the chance to develop them fully and put them to productive and profitable use -- but when you are young, you may only enjoy the occasional hint about what will come later in life.  
**SUNDAY, JANUARY 24**  
**AQUARIUS (Jan. 20-Feb. 18)** -- You may be asking yourself more than once today whether you feel up to the task at hand, but no one else is asking -- they know!  
**PISCES (Feb. 19-March 20)** -- You don't want to be too exact when dealing with a certain tricky situation today -- but on the other hand, someone else isn't exact enough!

**GEMINI (May 21-June 20)** -- You have prepared for a coming storm, but today it may seem as though the clouds are actually breaking. Take advantage of the lucky chance.  
**CANCER (June 21-July 22)** -- Be clear, concise and confident when speaking to others today -- especially when you are bringing up an issue that others have avoided.  
**LEO (July 23-Aug. 22)** -- You may have the "magic touch" today -- or so a young person might claim, for everything he or she wants you're able to deliver.  
**VIRGO (Aug. 23-Sept. 22)** -- You are not willing to do any more than you had con-
