HOROSCOPES

by Stella Wilder

FRIDAY, JANUARY 29, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are one of those highly
original individuals who serves as a font of
new ideas and concepts that can be beneficial
to all those around you -- but especially those
who are most intimately associated with you
and your work. You think big thoughts, but
you know how to express them in ways that
are comprehensible by any average person --
and that is sure to work in your favor, espe-
cially when what you are trying to achieve is
difficult and goals you are trying to reach
prove elusive.

SATURDAY, JANUARY 30
AQUARIUS (Jan. 20-Feb. 18) -- You may
be too eager to share something about your-
self with someone you've only recently met.
Fortunately, you're in no real danger.

PISCES (Feb. 19-March 20) -- Your mem-
ory may play tricks with you today, but in
your effort to get things in order, you'll likely
discover a missing piece of the puzzle.

ARIES (March 21-April 19) -- There's no
point in reacting to what someone does or
says today, as he or she is trying to get a rise
out of you -- and you know it.

TAURUS (April 20-May 20) -- That which
is most easily recognizable may, in the end,
prove least valuable. You want to set your
sights on that which is harder to see.

GEMINI (May 21-June 20) -- A race
against the clock pits you against someone
who claims to know you better than you
know yourself -- but in this case that's not
possible.

CANCER (June 21-July 22) -- You'll be
able to meet a certain deadline today only if
you avoid the kinds of distractions that prove
most irresistible to you.

LEO (July 23-Aug. 22) -- You may well be
able to undo that which is done today -- but
you'll certainly want to get the input of some-
one who is only peripherally involved.

VIRGO (Aug. 23-Sept. 22) -- A close look
at that which you've been seeking for quite

some time may prove disappointing -- until
you look at it from another angle.

LIBRA (Sept. 23-Oct. 22) -- The advan-
tage you worked so hard to secure may be
slipping away today. You'll have to act fast if
you're to regain the position you had before.

SCORPIO (Oct. 23-Nov. 21) -- A problem
is solved just as another is revealed today --
and it's likely to be like this, in one way or
another, for several consecutive days.

SAGITTARIUS (Nov. 22-Dec. 21) -- You
may not be able to trust today's technology to
help you get something finished and deliv-
ered on time. Do it the old-fashioned way!

CAPRICORN (Dec. 22-Jan. 19) -- A
friend stands back and gives you free rein to
do what you think needs to be done. Is he or
she really trying to prove you can't do it?
