YOUR BIRTHDAY by Stella Wilder

Born today, you are never too far from the heart of the action, and though you don't always want to take part directly you can surely be counted on to come up with idea after idea that can work well for those who are getting their hands dirty getting the work done. Indeed, you are far more of a thinker than a doer, and you have been endowed with a tremendously active imagination.

MONDAY, FEBRUARY 1
AQUARIUS (Jan. 20-Feb. 18) -- The waiting game serves you well today, as you are able to get a great deal of preparation done in anticipation of a brand-new start.

PISCES (Feb. 19-March 20) -- You needn't know what's in store before you set out on a journey of discovery; finding out what's in store is what it's all about, after all!

ARIES (March 21-April 19) -- It's time for you to get moving -- in any direction whatsoever. The only thing that can work against you now is standing still -- so don't.

TAURUS (April 20-May 20) -- You may have to change your approach to a certain situation in order to accommodate someone whose immediate affairs must take precedence.

GEMINI (May 21-June 20) -- You may be trapped between a practical rock and an ideological sticking place today. You'll find progress difficult until a friend chimes in.

CANCER (June 21-July 22) -- Slow and steady wins the race -- or so they say. What they don't tell you is how to deal with frustration and impatience -- but you can do it!

LEO (July 23-Aug. 22) -- You've been considering a trip -- but is now really the time? You can make arrangements without committing, but try not to send any mixed signals.

VIRGO (Aug. 23-Sept. 22) -- Someone close to you isn't giving you what you need right now, so you're going to have to look elsewhere -- or talk about it openly and honestly.

MONDAY, FEBRUARY 1, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are one of those easygoing individuals able to maintain a "hail fellow well met" attitude in almost all your dealings with other people, and you are often quite eager to mix and mingle with people very different from yourself so that you can learn about them, study their ways of life and origins, and come to a greater understanding of the overall "human experience" -- which, as far as you are concerned, is your entire "raison d'être," or reason for being.

TUESDAY, FEBRUARY 2
AQUARIUS (Jan. 20-Feb. 18) -- A simple wish turns into something of a yearning as the day progresses. You can turn this into a good thing as your motivation increases.

PISCES (Feb. 19-March 20) -- You may be introduced to a new way of doing certain things today -- and if so, you'll want to give it a real try instead of just lip service.

ARIES (March 21-April 19) -- Others are gravitating toward you at this time, though you don't know why. Take a look in the mirror; examine what goes on behind those eyes!

TAURUS (April 20-May 20) -- You can be more persuasive today than you were yesterday -- though someone may be more so than you today. Navigate this situation carefully.

GEMINI (May 21-June 20) -- You may not be in the mood to talk shop today, but you realize that even a casual mention of work can lead to the discovery of something new.

CANCER (June 21-July 22) -- All you want today is a few straight answers, but you're going to have to frame your questions with great care in the first place.

LEO (July 23-Aug. 22) -- You can put your best foot forward today, but someone is still going to find fault with the way you do things. This cannot be remedied -- yet.

VIRGO (Aug. 23-Sept. 22) -- You've been putting off a certain unpleasant task for days

LIBRA (Sept. 23-Oct. 22) -- The more you try to wrap your head around a certain problem today, the further you will be from a solution. Wait for inspiration to strike!

SCORPIO (Oct. 23-Nov. 21) -- What you're after may not be available to you today. You can get your hands on an alternative, but the results may not be to your liking.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your own assumptions are preventing you from making progress at this time. You may want to start over -- but you'll have to get permission.

CAPRICORN (Dec. 22-Jan. 19) -- Though you've been making someone wait while you put the finishing touches on a project, you're sure he or she will be delighted.

LIBRA (Sept. 23-Oct. 22) -- You're likely to profit from another's mistakes today -- though not through any effort of your own. This is sheer luck, and you know it.

SCORPIO (Oct. 23-Nov. 21) -- You have very few options available to you today, and still you're trying to get around doing what you must. It's time to face the music.

SAGITTARIUS (Nov. 22-Dec. 21) -- Now is the time for you to make clear what you expect from those around you. Fail in this today and you'll be disappointed tomorrow.

CAPRICORN (Dec. 22-Jan. 19) -- You begin the day with a greater appreciation for what is possible than you had yesterday -- and this makes all the difference. Get moving.
