HOROSCOPES by Stella Wilder

SUNDAY, FEBRUARY 7, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are a mass of contradictions, but you maintain the various, seemingly disparate parts of your personality in careful balance at all times, in order to wrest from potential chaos a true advantage in all things personal and professional. While it is common for an individual to cite this skill or that talent as a ticket to accomplishment and success, the fact of the matter is that your very personality, character, makeup -- whatever you prefer to call it -- is the thing that gives you an edge in almost all things.

MONDAY, FEBRUARY 8
AQUARIUS (Jan. 20-Feb. 18) -- Focus on the affairs of another and see if you can't keep them in your sights all day long. You'll learn something that others already know.

PISCES (Feb. 19-March 20) -- Someone may step up to challenge you today, but this is not for the reason you think. You're able to maintain a confident stance.

ARIES (March 21-April 19) -- The time has come for you to accept the inevitable. Others are trying to convince you that to move on is the right thing -- and so it is.

TAURUS (April 20-May 20) -- You may be indirectly affected by someone's activities today -- but it's not the "how" that interests you so much as the "why."

GEMINI (May 21-June 20) -- You are fearful of certain influences, but you have little cause to be so. Others in your position have fared well -- and you certainly can too.

CANCER (June 21-July 22) -- You want to be recognized for what you've done, and so you shall be -- but not yet. You still have a few hoops to jump through first.

LEO (July 23-Aug. 22) -- It'll be up to you to gather the necessary forces and face a coming challenge without seeming to blink. Appearances can be powerful today.

VIRGO (Aug. 23-Sept. 22) -- The truth comes to you in a strange manner today, but you'll recognize it as the truth, no matter

what. This gives you a distinct advantage.

LIBRA (Sept. 23-Oct. 22) -- The time has come for you to bid farewell to one who has helped you a great deal in the past. It's time for you to follow a different path.

SCORPIO (Oct. 23-Nov. 21) -- A journey you had planned to take on your own may involve many more people when you finally set out today -- but this suits your current needs.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can inspire others today, and, in turn, they will inspire you -- and then you're really off to the races. Little will be able to stop you!

CAPRICORN (Dec. 22-Jan. 19) -- Now is no time for secrets, especially between allies. What you are doing will affect others, and you must give them all key information.
