HOROSCOPES by Stella Wilder

TUESDAY, FEBRUARY 9, 2021
 YOUR BIRTHDAY by Stella Wilder
 Born today, you are a force to be reckoned with -- at work and at play. You are never one to take a backseat when there is room in the front, and you always want to have a controlling influence over the events that transpire around you. You can be a highly social individual, the kind who derives great enjoyment and inspiration from contact with others -- and yet you don't always enjoy working with those with whom you socialize, and in this you are like a great many other Aquarians who choose to keep business and pleasure as separate as possible.

WEDNESDAY, FEBRUARY 10
 AQUARIUS (Jan. 20-Feb. 18) -- You'll have to juggle your responsibilities today with great care. Not everyone agrees with your approach, but that won't slow you down.

PISCES (Feb. 19-March 20) -- Care taken in getting something "just right" will give you a sense of satisfaction that others do not enjoy. It's a good day.

ARIES (March 21-April 19) -- You may wake to discover that the day has dawned in a manner that doesn't suit your plans -- but is that going to stop you? No way -- not today!

TAURUS (April 20-May 20) -- A minor glitch slows you down for a time today, but you'll come roaring back and finish ahead of schedule -- or so a good friend believes.

GEMINI (May 21-June 20) -- Your thoughts are likely to turn to a time gone by in which you were "sitting pretty" -- but what is it that makes you doubt today's potential?

CANCER (June 21-July 22) -- Others gravitate toward you all day long, in the hopes of achieving something memorable. Indeed, that's a gift you can give everyone!

LEO (July 23-Aug. 22) -- A promise is broken today -- but another is kept, and you'll feel as though you've come out ahead. It's all a matter of a healthy perspective.

VIRGO (Aug. 23-Sept. 22) -- You're available to help someone in need today, but though the "how" is certain, the "when" remains to be seen. Keep yourself busy but ready.

LIBRA (Sept. 23-Oct. 22) -- When something doesn't work out quite the way you had planned, try reversing it and giving it another go. You'll be surprised at the results.

SCORPIO (Oct. 23-Nov. 21) -- Some may call you a "crackpot" for pursuing a certain goal with reckless abandon -- but you're in it for keeps, and today's the day.

SAGITTARIUS (Nov. 22-Dec. 21) -- You can't get things done today without getting your hands dirty -- so do what you must to avoid any squeamishness, and get started!

CAPRICORN (Dec. 22-Jan. 19) -- It may be time for you to wash your hands of a problem that has been hanging on for quite a while. It's someone else's responsibility now.
