HOROSCOPES by Stella Wilder

THURSDAY, FEBRUARY 11, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you don't always do things the way others do them, but that doesn't ever seem to set you back at all, and in fact, the more you stick to your own devices, the more you are likely to succeed -- though that success will not necessarily be recognized by others. Indeed, you are always in pursuit of "success" as defined by yourself alone and no one else -- and you will pursue it to the ends of the Earth if need be!
FRIDAY, FEBRUARY 12
AQUARIUS (Jan. 20-Feb. 18) -- A seeming difficulty is actually nothing of the kind, as you will discover as the pace increases today and you make up for some lost time.
PISCES (Feb. 19-March 20) -- You may find yourself caring for one who, by rights, should be caring for you. This relationship continues in this way for a while.
ARIES (March 21-April 19) -- You've

been telling yourself that more must be done, but still, you've not moved ahead. Today you'll have more than enough reason, surely!
TAURUS (April 20-May 20) -- Your memories of a better time are skewed, and you'll realize today that you've been coloring them in a way that cannot do you any real good.
GEMINI (May 21-June 20) -- Inaccuracies in work or play aren't to be tolerated today. You must step forward and call out those who are unwilling to "toe the line."
CANCER (June 21-July 22) -- Put yourself in another's shoes today and you'll know just what must be done. It's your attitude that needs adjustment, and now's the time!
LEO (July 23-Aug. 22) -- There are many people who are depending on you for guidance right now, and despite any lack of confidence on your part, you must deliver the goods.
VIRGO (Aug. 23-Sept. 22) -- Look around today and you'll realize that you are

surrounded by inspiration. Now is the time to do something memorable as a result.
LIBRA (Sept. 23-Oct. 22) -- You may be dissatisfied with the way you've been expressing yourself lately, and today you'll have the chance to reshape your whole approach.
SCORPIO (Oct. 23-Nov. 21) -- A journey takes you down one or two roads today that you would never have chosen before -- but they will lead you where you have to go.
SAGITTARIUS (Nov. 22-Dec. 21) -- It's time for you to adopt a livelier approach to a problem that isn't going anywhere. Time is on your side if you use it wisely.
CAPRICORN (Dec. 22-Jan. 19) -- You'll receive a kind of "shock treatment" today at the hands of a friend who realizes just what you really need. Be ready.
