■ Featured art shows sought for Crossroads Carnegie Art Center

BAKER CITY — Due to a lack of applicants for the 2022 Featured Artist line up, Crossroads Carnegie Art Center has extended the application date for submissions to March 8, 2021.

The featured artist exhibitions represent the highest quality art by emerging, mid-career, and established artists from the local, Eastern Oregon region and greater Pacific Northwest region.

Crossroads encourages artists to submit proposals for “new work which is fresh and original, finely executed and created in the last two years.”

When applying, artists should specify their preference for a solo show or group show. Each artist will be evaluated individually, the committee through the jury process may group together one show of two to four artists, based on complementary styles or mediums.

Exhibitions are determined by a volunteer committee comprised of artists working in a variety of mediums, art educators, collectors, and the Crossroads’ art director.

The selection takes place once per year.

Submission forms can be found online at <https://crossroads-arts.org/forms>

Artists seeking a solo show need to submit digital files of at least 10 works.

Those interested in a group application need to submit digital files of at least four works by each artist.

Submissions can be emailed to crystal@crossroads-arts.org, or mailed to hand delivered to the art center, 2020 Auburn Ave., Baker City OR 97814.

Announcements of the 2022 schedule will be available late March or early April of 2021. Artists will be presented with an exhibit timeline of dates, contract, and membership to confirm or deny acceptance of a Featured Exhibition.

For more information, visit www.crossroads-arts.org or call the center at 541-523-5369. Crossroads is open to the public Monday through Saturday, 10 a.m. to 5 p.m.

Oregon has one of the highest rates of misuse of prescription opioids in the nation.

The Center for Human Development, Inc., Medications for Addiction Treatment Program (MAT) offers hope and healing to individuals and families suffering from Opioid Use Disorder. Our team of certified drug and alcohol counselors, licensed medical providers, and certified recovery mentors help treat opioid addiction through medication, counseling, and the support of family and friends.

If you or a loved one may be addicted to prescription pain meds, treatment is available.
