CRUISE THROUGH classified when you're in the market for a new or used car.

HOROSCOPES by Stella Wilder

SUNDAY, FEBRUARY 28, 2021 YOUR BIRTHDAY by Stella Wilder

Born today, you are quite charismatic, and you are likely to follow a path that allows you to develop your creative and social skills to the fullest -- and enjoy professional success and the rewards that come with it as well. You are nothing if not loyal, and you will go to the mat for a friend who has been wronged -- to the point of waging all-out war against the offender often long after the original offense has been forgotten.

MONDAY, MARCH 1

PISCES (Feb. 19-March 20) -- You may feel the need to clear the air with someone who has misunderstood much of what you've said and done during the last few busy days. **ARIES (March 21-April 19)** -- Trust yourself to see your way around an obstacle that springs up today. Some people will want to follow in your footsteps, to no avail, however. **TAURUS (April 20-May 20)** -- You've trusted a big part of a current project to someone new, but you're not sure it was a

wise decision. You receive encouraging reports today.

GEMINI (May 21-June 20) -- Perhaps you're in need of a little moral support, and today you may receive it -- from an unexpected source. Things are changing in a good way.

CANCER (June 21-July 22) -- You may have to work harder than expected to convince someone that what he or she is doing for you is right. In the end, you get what you want.

LEO (July 23-Aug. 22) -- You are in need of something that may be just out of reach today. Take time to assess your situation through another lens and see what happens.

VIRGO (Aug. 23-Sept. 22) -- You aren't feeling quite yourself, perhaps, and this will almost certainly cause a slowdown -- but can you afford it? Keep up the pace today!

LIBRA (Sept. 23-Oct. 22) -- Things may be heating up some between you and a partner. You have to ask yourself: Is this really where you want things to go? Be honest!

SCORPIO (Oct. 23-Nov. 21)

-- You may be pulled in a new direction by someone who is even more persuasive than you are. You can revise your plans to accommodate this change.

SAGITTARIUS (Nov. 22-Dec. 21) -- It may be up to you today to step in and stop others from doing what you know is unwise -- and perhaps even dangerous. Speak right up!

CAPRICORN (Dec. 22-Jan. 19) -- You're not likely to escape criticism today, but you can surely listen to it in the right spirit and ensure that it does you some good.

AQUARIUS (Jan. 20-Feb. 18) -- Someone who shares your overall outlook makes a surprise announcement that knocks you off balance. Are you ready to express your doubts?

MONDAY, MARCH 1, 2021 YOUR BIRTHDAY by Stella Wilder

Born today, you are a friendly, lively and generous individual, and despite your considerable solo talents, you thrive on working and playing well with others. It's important, then, that you find or build yourself a niche that allows you to do things in your own way while leading others to their own accomplishments, as well. In other words, you will always be a collaborator, but the kind of teamwork for which you are best suited is the kind that allows you to shine as one quite capable in your own right.

TUESDAY, MARCH 2

PISCES (Feb. 19-March 20) -- You may have to try operating according to two separate but equally important schedules today, but you know how to juggle your time! **ARIES (March 21-April 19)** -- You may be the cause of an accident today that shocks more than it does any real damage. Apologies

should be made; recovery can be quick.

TAURUS (April 20-May 20) -- Now is the time for you to make your move. You're ready to jump from one takeoff point to another in order to maximize your chances.

GEMINI (May 21-June 20) -- Whether earlier than usual or later than usual, you'll find that what you do today will be worth remembering -- and may attract attention.

CANCER (June 21-July 22) -- You can do much to honor someone who was, in the past, responsible for a good deal of your learning. A problem arises that is easily solved.

LEO (July 23-Aug. 22) -- Something you've relied on in the past isn't likely to be available to you today -- so you'll have to get creative and make a surprising move.

VIRGO (Aug. 23-Sept. 22) -- You're likely to be recognized very soon for something done quite some time ago -- but this may go by without your notice for some reason.

LIBRA (Sept. 23-Oct. 22) -- Your record

of accomplishment speaks for itself, but that surely doesn't mean you can't successfully promote yourself today!

SCORPIO (Oct. 23-Nov. 21) -- You can demonstrate the importance of integrity, no matter where your responsibilities take you today. You'll stay in control.

SAGITTARIUS (Nov. 22-Dec. 21) -- All eyes are on you today, at least for a very intensive few minutes when it is announced that you are doing your thing. You're ready.

CAPRICORN (Dec. 22-Jan. 19) -- Signs of personal growth are all around you today, but you may be the last to notice them or recognize their significance right now.

AQUARIUS (Jan. 20-Feb. 18) -- Getting things done today can be as simple and orderly as "one-two-three," or complicated and messy. Your influence makes a difference.
