HOROSCOPES by Stella Wilder

SATURDAY, FEBRUARY 27, 2021

YOUR BIRTHDAY by Stella Wilder
 Born today, you are both an intensely private and stylishly public individual -- one who craves alone time but who also thrives on being in the public eye. It is not uncommon for you to spend the day wishing you had no social engagement in the evening -- only to turn up and "turn it on" in order to enjoy yourself and others at a party or other social event.

SUNDAY, FEBRUARY 28

PISCES (Feb. 19-March 20) -- You're feeling your oats today, so you must take care that you don't do something impulsively that you'll later regret. Be circumspect!

ARIES (March 21-April 19) -- Your down-to-earth approach may be misinterpreted by some as overly simplistic, but your methods will soon be very clear.

TAURUS (April 20-May 20) -- Think about things long enough today and you may be able to combine fantasy and reality in a fun, new way. Others will show interest.

GEMINI (May 21-June 20) -- You'll learn a thing or two about yourself today -- and just in time. You'll know when it happens, and you'll know just what to do about it.

CANCER (June 21-July 22) -- You may have to travel farther today than expected, but you'll benefit greatly by making certain stops along the way. Improve a little!

LEO (July 23-Aug. 22) -- What you do today may not be exciting, but it can certainly be rewarding -- if not now, then in a day or two. You're playing the long game.

VIRGO (Aug. 23-Sept. 22) -- You'll be able to strike a deal with someone today who has been for quite some time considered a nemesis. Things are not what they seem.

LIBRA (Sept. 23-Oct. 22) -- How you interpret certain messages will make all the difference today -- for you and those in your inner circle. Avoid any impulsive judgments.

SCORPIO (Oct. 23-Nov. 21) -- You won't be able to give another all the time he or she has requested of you, but you can still accomplish a great deal by working together.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may want to try a "copycat" approach today, but know that you're eventually going to have to do things your own way. It's inevitable.

CAPRICORN (Dec. 22-Jan. 19) -- You can learn a great deal today simply by exploring all that lies within a very narrow radius. Where you are is where it's all happening!

AQUARIUS (Jan. 20-Feb. 18) -- Time can be well spent or frittered away today, and you have an idea which can guarantee that you'll profit from whatever you do.
