HOROSCOPES by Stella Wilder

WEDNESDAY, MARCH 3, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are likely to be seen as something quite special in the eyes of all those who take the time to get to know you well -- and even those who know you only in passing are sure to recognize that you are someone who can surely matter, who can surely make a difference, who can surely win the day if given the chance. Indeed, you give off the kinds of vibes that can be quite intoxicating -- but also quite inspiring.

THURSDAY, MARCH 4
PISCES (Feb. 19-March 20) -- You'll be able to hide an inconvenient truth only so long today. A friend advises you against doing anything rash. You'll find a way out.

ARIES (March 21-April 19) -- You may not be able to give someone as much of yourself today as you had anticipated, as a third party is likely to intervene.

TAURUS (April 20-May 20) -- You may not be feeling quite up to par today, but there is nothing specific wrong with you -- physically at any rate. Examine inner currents.

GEMINI (May 21-June 20) -- You may receive news of a loved one today that compels you to shift gears rather suddenly. You'll be able to help -- but only so much.

CANCER (June 21-July 22) -- You should be able to undo what someone else has done -- but everything you attempt must be above-board. Now is no time to break the rules.

LEO (July 23-Aug. 22) -- A compliment comes your way from an unusual source today, and you may want to investigate just how you received the message -- and why.

VIRGO (Aug. 23-Sept. 22) -- You may have to travel some distance today to acquire what someone has said you must have. Don't head out without preparing yourself!

LIBRA (Sept. 23-Oct. 22) -- You're able to put yourself in another's shoes today and see things from his or her perspective. A difficult decision is much easier to make.

SCORPIO (Oct. 23-Nov. 21) -- You're not one to believe that things will be difficult because others have said so -- but today you'll want to heed any warnings you receive.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your interest in things long past will pull you in an interesting direction today, but alas -- a friend cannot come along for the ride.

CAPRICORN (Dec. 22-Jan. 19) -- You may wake to find that a situation you were ready to address has taken an unusual turn. Do nothing before meeting with others.

AQUARIUS (Jan. 20-Feb. 18) -- You may be able to reap more benefits out of a certain unexpected development today than anyone else. Others want to do things the way you do.
