HOROSCOPES by Stella Wilder

THURSDAY, MARCH 4, 2021

YOUR BIRTHDAY by Stella Wilder
 Born today, you are just the kind of person others admire -- but why? The most compelling aspect of your nature is your ability to dream -- and dream big! But what is most impressive, of course, is that you not only dream big dreams, but you work tirelessly to transform them into reality, and your success rate is remarkably high. You know how to make dreams come true -- for yourself and for others.

FRIDAY, MARCH 5
PISCES (Feb. 19-March 20) -- Your unusual methods are more unusual today than they've been in the past. Some are ready for you and some are not. You know what you can do.

ARIES (March 21-April 19) -- The moment you turn in a new and unfamiliar direction you'll start progressing at a faster pace. Anything to break your pattern of boredom!

TAURUS (April 20-May 20) -- What you hear today proves somewhat prophetic -- though you don't have to succumb to everything that others foresee. You do have some freedom.

GEMINI (May 21-June 20) -- You may have trouble combining your native creativity with the kind of technical assistance you need right now. What's getting in the way?

CANCER (June 21-July 22) -- You are determined to be yourself, no matter who or what you encounter -- but it's likely to be more difficult today than you might expect.

LEO (July 23-Aug. 22) -- Make no promises today that you don't intend to keep -- and know that you're likely to be put to the test in this regard before the day is out.

VIRGO (Aug. 23-Sept. 22) -- Your word is your bond, but you may have to prove it to someone close to you who is naturally skeptical. The stakes grow ever higher.

LIBRA (Sept. 23-Oct. 22) -- You're likely to derive inspiration today from someone's excellence -- and you're confident that it's something you can surely match.

SCORPIO (Oct. 23-Nov. 21) -- You have the chance to commit to something that will prove quite important to you in the very near future -- if you choose to follow through.

SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't let the doings of others -- or your own unfounded suspicions -- get in the way of a friendship. See things as they are today!

CAPRICORN (Dec. 22-Jan. 19) -- Your mind is likely to turn, again and again, to a time in the recent past that afforded you more opportunities than you currently enjoy.

AQUARIUS (Jan. 20-Feb. 18) -- You must not allow yourself to be distracted today, or the work you have before you won't get done -- and that simply cannot happen.
