It's time to plan for that vacation trip. For extra cash, why not sell some of those items you don't need with a classified ad?

HOROSCOPES by Stella Wilder

SATURDAY, MARCH 6, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you can be rather odd at times, but it is your quirky, unconventional nature that wins others over time and again -- and certainly more often than not. There is nothing ill-meaning about your behavior, and you don't have a mean bone in your body -- and yet there are those who may look at you askance simply because you don't always do things the way they're "supposed" to be done. But what's that to you? You're not interested in how things are supposed to be done, but rather how you can do them -- in your own inimitable style.
SUNDAY, MARCH 7
PISCES (Feb. 19-March 20) -- Though you may have recently come to a clear understanding of a difficult issue, that doesn't mean it isn't still difficult for you!
ARIES (March 21-April 19) -- A matter of taste is going to cause a brief rift today -- but it's nothing to fret about. Unavoidable effects will be short-lived, surely.
TAURUS (April 20-May 20) -- No matter how many times you repeat yourself, you'll be hard to understand. It's a combination of word choice and style. Shake things up some!
GEMINI (May 21-June 20) -- Perhaps an old friend reaches out to you today, and you have a rare opportunity to reestablish an important personal connection. Don't wait!
CANCER (June 21-July 22) -- There will be a lot going on today that threatens to pull you off balance -- but you're able to keep your feet on the ground at all times.
LEO (July 23-Aug. 22) -- Just because you are capable of doing something doesn't mean you should do it -- and today you'll find yourself dealing with just such an issue.
VIRGO (Aug. 23-Sept. 22) -- The beginnings of an idea are beginning to take shape today -- and you must cultivate them carefully to avoid wasting them entirely.
LIBRA (Sept. 23-Oct. 22) -- The combina-

tion of careful thought and exact action will allow you to achieve something that others might have thought was impossible.
SCORPIO (Oct. 23-Nov. 21) -- Never afraid of a challenge, you'll find yourself facing one that actually has you looking forward to what happens when you accept it.
SAGITTARIUS (Nov. 22-Dec. 21) -- You want to know how things work, so why not do a little digging on your own today? What you find allows you to answer many questions.
CAPRICORN (Dec. 22-Jan. 19) -- You are eager to spend time with people who share not only your outlook, but your ambitions as well. Trading "crazy" ideas can pay off!
AQUARIUS (Jan. 20-Feb. 18) -- You'll want to avoid a showdown with a rival today -- but take care you don't come across as one trying to avoid the inevitable.
