HOROSCOPES by Stella Wilder

SUNDAY, MARCH 7, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are not one to engage in superficial events or superficial issues -- and you certainly don't have time for superficial people! You are keenly interested, however, in that which is important, instructive, inspirational and profound, and you are never more content than when you are applying important lessons to your own life -- or, conversely, living your life in accordance with the most important lessons! You are something of a perfectionist, but you never let that slow you down. MONDAY, MARCH 8 PISCES (Feb. 19-March 20) -- You'll be attracted by that which is unusual today. Use care when you're called into service by someone who doesn't share all the information. ARIES (March 21-April 19) -- You can learn an unusual lesson today -- and then turn right around and teach someone else the same one. You enjoy "paying it forward" this

way. TAURUS (April 20-May 20) -- You may be tempted to follow in a certain someone's footsteps today -- but you have to recognize that you're not ready to do so -- yet. GEMINI (May 21-June 20) -- You've been flying solo for quite a while, and today you'll have a chance to share a project with someone who knows how important it is to you. CANCER (June 21-July 22) -- You are likely to be affected in small but significant ways by that which transpires without your notice today. More is in store. LEO (July 23-Aug. 22) -- Over the past weeks or months you've seen much to challenge your way of thinking -- but today you may consider a real change for the first time. VIRGO (Aug. 23-Sept. 22) -- You must be very clear with yourself and others today, not only about what you are doing but about why. That is the most important question! LIBRA (Sept. 23-Oct. 22) -- You're likely to encounter many people today whose inter-

pretation of the rules is different from your own. You may have to go your own way. SCORPIO (Oct. 23-Nov. 21) -- You're in no mood for idle chatter today, so you must steer clear of those who would bend your ear to no end. You want serious conversation! SAGITTARIUS (Nov. 22-Dec. 21) -- You and a friend may miss out on a joint opportunity, but you can begin making plans together that will pan out when the time is ripe. CAPRICORN (Dec. 22-Jan. 19) -- You've been standing on the sidelines long enough; today you'll have a chance to take the field. Your "secret" strategy is ready to go. AQUARIUS (Jan. 20-Feb. 18) -- A quick look back gives you all the information you need today as you plan to take a few more steps forward. Secondary motives come into focus.

SCORPIO (Oct. 23-Nov. 21) -- You know what's right, and though it may conflict with what someone else is trying to accomplish, you must stay the course and do what you can. SAGITTARIUS (Nov. 22-Dec. 21) -- You have been doing a certain thing in a certain way for a very long time, but today you may be surprised to learn there's a better way! CAPRICORN (Dec. 22-Jan. 19) -- You're likely to get permission for something you've long wanted to do -- but don't be surprised if it's conditional. Follow the rules! AQUARIUS (Jan. 20-Feb. 18) -- You can take advantage of an unexpected situation today and use it as an effective showcase for one or two very special and impressive skills.

MONDAY, MARCH 8, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you can sometimes be quite a careless individual, the kind to charge ahead, regardless of any risks or dangers that lie ahead, and regardless, too, of any criticism you might attract as a result. This last point encompasses what may be your single greatest strength: You do not mind disagreement one bit, and you welcome criticism as a sign that people feel passionate about what you are doing and saying -- or even about you as an individual. TUESDAY, MARCH 9 PISCES (Feb. 19-March 20) -- You're going to have to wait longer than expected today for the benefits of recent efforts to be revealed. Follow a hunch during evening. ARIES (March 21-April 19) -- No matter how clear you make your instructions, there will be those who require more assistance than you had anticipated. Make the time. TAURUS (April 20-May 20) -- You may

feel as though your ideas are not competitive at this time, but you would be mistaken. You know what is needed and how to supply it. GEMINI (May 21-June 20) -- Go after your primary goals all at once today; you'll increase the odds considerably. You needn't be quite as careful as you've been in the past. CANCER (June 21-July 22) -- You're in no mood to compromise today, no matter what others might expect. You have a great deal on the line right now, and others do not. LEO (July 23-Aug. 22) -- You'll find that it's easier to win forgiveness for crossing the line today than it would be to receive permission for doing so. Be brave! VIRGO (Aug. 23-Sept. 22) -- Giving someone a piece of your mind doesn't have to involve inappropriate language or raised tones. Remain calm and rational at all times. LIBRA (Sept. 23-Oct. 22) -- You're likely to attract criticism no matter what you say or do today, so you mustn't let that possibility hold you back. Get it out!
