HOROSCOPES by Stella Wilder

THURSDAY, MARCH 11, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are a thoughtful and feeling individual, and while this can certainly serve you well in your business and personal affairs, it can also cause you some small trouble upon occasion when you make the mistake of thinking that it is up to you to do for others what they should, by rights, be doing for themselves. There are worse faults to have, of course, than generosity, and you are generous to a fault.

FRIDAY, MARCH 12
PISCES (Feb. 19-March 20) -- You can persuade a friend or acquaintance that swift action is required today -- and together you can get more done than you had planned.

ARIES (March 21-April 19) -- You may find yourself on a journey of sorts with someone who cares deeply for you. Relax and have fun; your cares will drift away for a time.

TAURUS (April 20-May 20) -- You're seeing things from a slightly different perspective at this time, and what was small seems much, much bigger -- and requires attention.

GEMINI (May 21-June 20) -- There's such a thing as working too hard, and if you are not careful today, you can lessen your chances simply by doing too much too fast.

CANCER (June 21-July 22) -- A tried-and-true method yields desired results today -- and you'll be in a position to share what you know with those who can also benefit.

LEO (July 23-Aug. 22) -- You may have trouble making sense of your own conflicting emotions today. It's time once again to listen to someone who knows you well.

VIRGO (Aug. 23-Sept. 22) -- You are aware of much that seems to go unnoticed by those around you -- and today that can be a dangerous situation only you can remedy.

LIBRA (Sept. 23-Oct. 22) -- Someone has more of a hold on you at this time than you may have thought, and today's decisions will be difficult to make as a result.

SCORPIO (Oct. 23-Nov. 21) -- Your own independence hangs in the balance right now, and everything you do sends messages to others that will affect how this turns out.

SAGITTARIUS (Nov. 22-Dec. 21) -- What goes on around you today is likely to affect your attitude in a way that takes you entirely by surprise. Stick with the program!

CAPRICORN (Dec. 22-Jan. 19) -- You're willing to give much to gain a little today -- but take care you're not making an arrangement that increases your vulnerability.

AQUARIUS (Jan. 20-Feb. 18) -- You may have to go through something unpleasant today before breaking through into the open air. Your freedom is worth it -- isn't it?
