HOROSCOPES by Stella Wilder

FRIDAY, MARCH 12, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are a talented, capable individual with a great deal of stamina and the will to do the kinds of things that others are perhaps afraid of doing -- for whatever reason. Indeed, once you've said you'll do something, others can consider it done; you're never one to go back on your word if you can help it. You are well-liked and appreciated among your circle of friends and acquaintances, and even those who do not know you well get a sense, very early on, that you are the "genuine article" and one to be trusted and believed.

SATURDAY, MARCH 13
PISCES (Feb. 19-March 20) -- You can stake your claim to something you set your sights on quite some time ago. A friend and a rival come together for your ultimate benefit.

ARIES (March 21-April 19) -- You know just where you stand and how different you are from someone who is challenging you.

You're waiting for certain signals. **TAURUS (April 20-May 20)** -- Your understanding of certain key issues will give you the advantage over someone today who is making a point of taking the opposite view. **GEMINI (May 21-June 20)** -- You're not yet ready to call it quits where a certain trying endeavor is concerned -- but you may require a little rest today, if time allows. **CANCER (June 21-July 22)** -- Where your imagination takes you is certainly worth going, at least for a time. Allow yourself to consider the "impossible" -- if you dare. **LEO (July 23-Aug. 22)** -- You're eager to be set free from a situation that has limited your choices lately. Someone in charge has some good news to pass your way. **VIRGO (Aug. 23-Sept. 22)** -- You and a friend may reach two very different conclusions about a shared interest. The question is whether a compromise is possible. **LIBRA (Sept. 23-Oct. 22)** -- A situation that you've been managing lately may not progress as planned today -- and the sooner you tell others what to do, the better. **SCORPIO (Oct. 23-Nov. 21)** -- This is a good day to set aside the things you should do -- at least for a while -- and do instead one or two things you really want to do. **SAGITTARIUS (Nov. 22-Dec. 21)** -- You may have no choice today but to face one or two fears you keep hidden from view. A friend knows what this will take and can help. **CAPRICORN (Dec. 22-Jan. 19)** -- You've been engaged in negotiations of a sort for quite some time, but today you may decide that the time has come to call it quits. **AQUARIUS (Jan. 20-Feb. 18)** -- Are you really considering giving up? Now is no time to make any decision that you cannot unmake. Reread a message from a friend.
