PUBLIC NOTICE

Baker County is soliciting project proposals for the Statewide Transportation Improvement Fund Grant (STIF) FY 2021-2023. STIF formula funds may be used for any purpose directly related to transportation services, including, but not limited to, transit operations, capital equipment, planning, travel training and other transit-related purposes.

The STIF Formula Fund is intended to expand and improve public transportation services for current and future transit users. The legislative intent of STIF funding is to prioritize improvement or expansion of services. Generally, client-only transportation services are not eligible, with a few exceptions.

Baker County will prioritize projects that address:

- Medical/mental health transport
- Rural Area Services
- Demand/Response
- Shopping

Information on the program and the application can be found at: <https://www.oregon.gov/odot/RPTD/Pages/STIF.aspx>

Project proposals are due no later than 4:00 p.m. March 24, 2021. Submit proposals via Cognito Forms on the State website.

Contact Doni, Transportation Grants Administrator, 1995 Third St., Baker City, OR 97814 or dburuland@baker-county.org or 541-524-7480 with any questions.

HOROSCOPES by Stella Wilder

SUNDAY, MARCH 14, 2021

YOUR BIRTHDAY by Stella Wilder

Born today, you are often to be mistaken for a Gemini native, as your character is made up of two very distinct components that compete regularly for dominance -- and your life is sure to be spent keeping these two essential and formidable forces in careful equilibrium. It is far more important for you to remain on an even keel in your work -- though in your personal life you will surely find that a certain level of consistency is beneficial.

MONDAY, MARCH 15

PISCES (Feb. 19-March 20) -- You may not feel completely prepared today, but you will not have the choice of hanging back. You must take the lead at this time.

ARIES (March 21-April 19) -- A recent experience means more today than it did originally, but only because you've learned to think about it in just the right way.

TAURUS (April 20-May 20) -- You have

much to offer today, but you're not feeling quite yourself for some reason. This is something you'll want to power through.

GEMINI (May 21-June 20) -- You're in a good place today -- and you'll know it, too, if you take the time to look around and assess the current situation accurately.

CANCER (June 21-July 22) -- Not all experiences today will be wholly enjoyable, but you'll be able to learn a thing or two about your own tolerance for unpleasantness!

LEO (July 23-Aug. 22) -- You'll likely come to a conclusion today that sets you at odds with someone you have long admired.

This needn't be a serious conflict.
VIRGO (Aug. 23-Sept. 22) -- Availability is the issue today -- not your readiness. You must be patient and keep yourself well-tuned in case the situation changes suddenly.

LIBRA (Sept. 23-Oct. 22) -- You may have to take advantage of your own personal "escape hatch" today before you find yourself drowning in a difficult situation.

MONDAY, MARCH 15, 2021

YOUR BIRTHDAY by Stella Wilder

Born today, you can be a rather polarizing person, the sort whose character, views and behavior can split the viewing public into two very distinct camps of supporters and detractors -- and you don't always do everything you can to avoid such rifts or to heal them. Indeed, the fact is that you rather enjoy when people are in conflict over you and your affairs -- it means they are paying attention to what you do and say, and that's all that really matters -- much of the time.

TUESDAY, MARCH 16

PISCES (Feb. 19-March 20) -- You're going to have to work your way through a great deal of preliminary information today before you get to the heart of the matter.

ARIES (March 21-April 19) -- What you've planned for the day may have to undergo a subtle change -- but you don't have to tell anyone about it. Your goals are the same.

TAURUS (April 20-May 20) -- You may have to take preventive measures today to avoid a situation you've been warning others about -- but don't be overly dramatic!

GEMINI (May 21-June 20) -- Your preparations must be thorough today if your work is going to pay off tomorrow. All things are integrated at this time -- and that's a plus.

CANCER (June 21-July 22) -- You must work hard to maintain the momentum today. You cannot afford a slowdown at this time, as the competition may be gaining on you.

LEO (July 23-Aug. 22) -- Others are impressed with the way you handle an unexpected situation today. You feel lucky that you were in the right place at the right time.

VIRGO (Aug. 23-Sept. 22) -- You may be adversely affected by an environmental shift that benefits others -- but soon the tables will turn and you'll be on top.

LIBRA (Sept. 23-Oct. 22) -- Your study of a certain topic tempts you to dive into something new -- but as a profession or a hobby?

Which it is may depend on another.

SCORPIO (Oct. 23-Nov. 21) -- As you deal with routine matters today, you're likely to find your mind wandering into unknown territory. Is this a dream or a nightmare?

SAGITTARIUS (Nov. 22-Dec. 21) -- You may sense a chill in the air today as the clouds gather over you and those who share your aspirations. A tricky period begins now.

CAPRICORN (Dec. 22-Jan. 19) -- One who claims to be a friend behaves in a manner you may think is threatening today -- but this is all based on a simple misunderstanding.

AQUARIUS (Jan. 20-Feb. 18) -- You can clear up a few key matters today, but take care that someone else doesn't beat you to the punch. This situation is yours to command.
