**HOROSCOPES** by Stella Wilder

SATURDAY, MARCH 20, 2021  
 YOUR BIRTHDAY by Stella Wilder  
 Born today, you are a friendly, understanding, fair-minded and generous individual -- and while this may suggest that you are most content being with other people, the fact is that you cherish your privacy, and you must have a healthy dose of alone time every day, if you can swing it, in order to maintain your even-handed approach to life.

SUNDAY, MARCH 21  
**ARIES (March 21-April 19)** -- Your energy levels will rise and fall throughout the day, but as you turn out the lights, you'll have good reason to be proud of your work.  
**TAURUS (April 20-May 20)** -- Take the time to make note of the little things that really make a difference today. If you need help meeting an unusual demand, ask for help!  
**GEMINI (May 21-June 20)** -- You receive a piece of news that confirms what you've

been thinking for a while. This allows you to free yourself of certain tough restrictions.  
**CANCER (June 21-July 22)** -- Someone in charge may look to you for guidance today -- and you certainly have something to say about the way things are going right now.  
**LEO (July 23-Aug. 22)** -- Vulnerability may be on the rise today, but not because of something you did. Another's actions can affect you indirectly.  
**VIRGO (Aug. 23-Sept. 22)** -- There's only so much you can do today to keep yourself at a safe distance from those who would cause you distress. Make no sacrifices today.  
**LIBRA (Sept. 23-Oct. 22)** -- You are able to do more for another today than he or she is able to do for you -- but that comes as no surprise, as you're currently on top.  
**SCORPIO (Oct. 23-Nov. 21)** -- If you want to be on top of things, you must remain current and informed. Some of your sources are outdated, and that must be remedied.

**SAGITTARIUS (Nov. 22-Dec. 21)** -- Criticism may be unavoidable today, but you're not particularly sensitive to it at this time. You can weather quite an onslaught!  
**CAPRICORN (Dec. 22-Jan. 19)** -- You are eager to double or triple your rewards today -- but is that possible? You do have a way of doing things that increases the odds.  
**AQUARIUS (Jan. 20-Feb. 18)** -- Any money spent on yourself today would be better spent on someone else -- and you know it. Resist the temptation to splurge right now.  
**PISCES (Feb. 19-March 20)** -- Your workload may be about to increase exponentially, so you must take what time you have today to center yourself and prepare your workspace.
