HOROSCOPES by Stella Wilder

SUNDAY, MARCH 21, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you have been endowed with tremendous insights into the ways of the world -- and the ways of your fellow human beings. You seem to know what makes people tick, and you enjoy interacting with all different types. Still, there may be times in which you tend to drift too far from center, favoring notions that are not realistic over those that are practical and pragmatic.

MONDAY, MARCH 22
ARIES (March 21-April 19) -- You can win some favorable responses today with a new idea that you've crafted specifically to attract support. This is working out well.
TAURUS (April 20-May 20) -- A chance encounter today opens your eyes to a situation you have not previously recognized. Now it's up to you to do something about it!
GEMINI (May 21-June 20) -- You can recognize the truth in all that you see today,

but your interpretation of that truth may differ from that supported by others.
CANCER (June 21-July 22) -- Can you believe what you are told by someone who isn't a firsthand observer? It all depends on the original source; you must uncover it.
LEO (July 23-Aug. 22) -- Exploring your options mustn't take the place of doing something about them. You must prioritize actions over thoughts and words today.
VIRGO (Aug. 23-Sept. 22) -- Someone is waiting for you to make a mistake -- but that's not likely to happen. You know what's at stake, and you know you're being watched.
LIBRA (Sept. 23-Oct. 22) -- You must take no action that could be considered illicit today; only those steps you take out in the open will count at this time.
SCORPIO (Oct. 23-Nov. 21) -- You can afford to look at the goings on around you today with a more liberal eye, and that will surely keep you from being overly critical.

MONDAY, MARCH 22, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are a sociable and most often compatible individual -- but what does that mean exactly? It means that in most situations you will be the one to make yourself comfortable, to fit in and to find a way to use your natural flexibility to bend just enough to allow yourself to be positive and productive -- even in situations that prevent most other people from being so.

TUESDAY, MARCH 23
ARIES (March 21-April 19) -- You may become somewhat obsessed with a past occurrence that doesn't really affect what you do today. What is it that has you so transfixed?
TAURUS (April 20-May 20) -- You'll be closer today to what you want than you have been at any time in the recent past, but it may not appear clearly to you. Just wait!
GEMINI (May 21-June 20) -- Help is on

and try something new, external influences may not favor any such attempt today.
SAGITTARIUS (Nov. 22-Dec. 21) -- You are aware of something "on the move" just outside of your own personal bubble, and it's far more interesting than any job.
CAPRICORN (Dec. 22-Jan. 19) -- You may have to give someone the shock treatment today in order to ensure he or she is on the same page by day's end. Be direct!
AQUARIUS (Jan. 20-Feb. 18) -- A friend's recommendation may lead you down the wrong road today -- but this was certainly not intentional. You can get rerouted quickly.
PISCES (Feb. 19-March 20) -- How you perceive certain statements and actions will say a great deal about your readiness to tackle difficult issues. Is today the day?
