**HOROSCOPES** by Stella Wilder

TUESDAY, MARCH 23, 2021  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you can be quite businesslike when you have to be, but the fact is that you are, in the main, a passionate and fiery individual who struggles now and then with keeping emotions in check and approaching life's myriad opportunities and struggles with a balanced mind and a disciplined approach. Yes, it's hard for you to remain calm in many situations. You mustn't allow yourself to burn out!

WEDNESDAY, MARCH 24  
**ARIES (March 21-April 19)** -- You may find yourself digging around in some unusual places today to find what you're looking for -- but it's nearer than you think!  
**TAURUS (April 20-May 20)** -- Eager to get back to routine, you're willing to try almost anything today to feel "normal" -- but the stars have something else in mind.  
**GEMINI (May 21-June 20)** -- That which you most fear isn't likely to materialize or come to pass today -- but there are still certain obstacles you'll have to overcome.  
**CANCER (June 21-July 22)** -- That which is easier than expected may give you cause for worry, as you weren't expecting any "breaks" today. What's really going on?  
**LEO (July 23-Aug. 22)** -- The more freely you express yourself today, the more you'll realize -- and understand -- what's really going on inside. Avoid deception today.  
**VIRGO (Aug. 23-Sept. 22)** -- That which is real demands attention today, and pulls you away from those things that merely distract you from doing what you must.  
**LIBRA (Sept. 23-Oct. 22)** -- You don't always have to do something the same way, day after day. Today, in fact, is a good day to experiment with breaking the mold.  
**SCORPIO (Oct. 23-Nov. 21)** -- Though it's certainly possible for you to profit from another's mistakes today, it isn't necessarily the wisest move. You should reconsider.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Your creativity is on the rise, and you're about to enter a phase that may be characterized by prolific output. Get yourself ready.  
**CAPRICORN (Dec. 22-Jan. 19)** -- The more time you spend in dreamland today, the more likely you will be to miss out on something that can actually do you a great deal of good.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You're ready to take on the world today -- or so you think. You may be feeling strong and capable, but you're certainly not invincible.  
**PISCES (Feb. 19-March 20)** -- You needn't follow in anyone's footsteps today. You can, instead, forge a path all your own, though you don't yet know where it leads.
