Danielle Brooks

7 p.m. on ABC
Movie: The Ten Commandments

Charlton Heston, Yul Brynner and Anne Baxter star in director Cecil B. DeMille's final film, the 1956 biblical epic about the life of Moses. The picture's first-rate visual effects include the parting of the Red Sea — and bear in mind what a wonder that was for moviegoers at the time, well before the computer-generated effects of today. Yvonne De Carlo, Nina Foch, John Derek and Vincent Price co-star, with little Fraser Heston as the infant Moses.

8 p.m. on LIFE
Movie: Robin Roberts Presents: Mahalia

The first project produced under a partnership between "Good Morning America" anchor Robin Roberts and Lifetime, this new biopic chronicles the life and career of one of America's greatest Black gospel singers. Even during a strife-torn period in U.S. history riddled by racial segregation, Jackson enjoyed incredible success in her music career. She also devoted time to political activism, however, and was a personal friend of Dr. Martin Luther King Jr. and his family. Danielle Brooks ("Orange Is the New Black") takes the title role. Kenny Leon is the director.

9 p.m. on HALL
Movie: One Perfect Wedding

Altar-bound couple Cara and Ben (Taylor Cole, Jack Turner) decide they've let professional distractions postpone their wedding too many times. She's leaving on an international book tour in just two weeks and he's up to his neck in a major business expansion, but they go ahead and book the chalet where they fell in love, throwing together plans for an intimate ceremony with their loved ones in just 10 days. Their best friends Megan and Sean (Rukiya Bernard, Dewshane Williams) lend their support, too in this 2021 romance.
