HOROSCOPES by Stella Wilder

TUESDAY, MARCH 30, 2021

YOUR BIRTHDAY by Stella Wilder

Born today, you are nothing if not fun-loving -- but this doesn't mean that you are carefree, lazy, irresponsible or resistant in any way to working hard. On the contrary, you are capable perhaps of working harder than almost anyone else born under your sign, but you also know how to find a great deal of fun in your work and so you never grow tired of it -- or, frankly, tired!

WEDNESDAY, MARCH 31

ARIES (March 21-April 19) -- You likely have someone pushing you from behind and urging you on, despite your desire to call it quits. Now is no time to throw in the towel!
TAURUS (April 20-May 20) -- A change to your usual work environment yields some surprising results today. Indeed, everything you do is likely to result in something unusual.

GEMINI (May 21-June 20) -- You may feel

a greater distance from those who inspire you than you have at any time in the recent past -- but that distance can be narrowed today.

CANCER (June 21-July 22) -- Will you be happy with only a portion of that which you've been going after lately? It may be that you can have some or none -- which will it be?

LEO (July 23-Aug. 22) -- You receive something of a shock today, but that pushes you in a new direction -- and that can actually inspire you to make a new personal goal.

VIRGO (Aug. 23-Sept. 22) -- You may continue to see things from a far more problematic perspective today than you should. The counsel of a good friend seems to help.

LIBRA (Sept. 23-Oct. 22) -- You wanted some advice, but you've been getting too much of it and, as a result, your thinking has become muddy. Get back to the basics today.

SCORPIO (Oct. 23-Nov. 21) -- Putting yourself in another position, even figurative-

ly, can yield a new appreciation for something you've long undervalued.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your thoughts of an old friend may lead you to a decision today that, very soon, may have you changing more than your overall attitude.

CAPRICORN (Dec. 22-Jan. 19) -- You don't want to send messages that put others on the defensive today. Instead, approach difficult situations with an empathetic outlook.

AQUARIUS (Jan. 20-Feb. 18) -- It's time once again -- but only you know what for! This can be an exciting day, especially if you are leading a friend down a new path.

PISCES (Feb. 19-March 20) -- You may find yourself in a tricky spot before the day is out, and all because you simply mistook one thing for another. Don't be careless.
