HOROSCOPES by Stella Wilder

SUNDAY, APRIL 4, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are not one to be happy doing the same thing day after day, again and again, for any length of time whatsoever. You want to be free to explore all the options that are available to you in life -- and, for that matter, some that are not! Freedom and autonomy are everything to you, and you will exercise your freedom and protect your autonomy, come what may.
MONDAY, APRIL 5
ARIES (March 21-April 19) -- You may have to make a decision today for someone who doesn't realize that he or she is experiencing something very important with you.
TAURUS (April 20-May 20) -- You'll enjoy greater odds today if you simply stand your ground. No one is going to challenge you if you look like you know what you're doing!
GEMINI (May 21-June 20) -- You may require someone's expertise today in order to

solve a problem that has been puzzling you for a while. It must be solved today!
CANCER (June 21-July 22) -- Your knowledge of something rare will serve you well today as you journey into territory that would otherwise threaten you in some way.
LEO (July 23-Aug. 22) -- A friend shares with you something that he or she has never before revealed. You'll feel honored in a way -- but also perhaps a little odd.
VIRGO (Aug. 23-Sept. 22) -- Take advantage of an opportunity that comes your way today, no matter how unusual it may seem. An adventure awaits -- if you're game!
LIBRA (Sept. 23-Oct. 22) -- You'll experience much of what you're after today, but it may be courtesy of someone who doesn't usually figure prominently in your affairs.
SCORPIO (Oct. 23-Nov. 21) -- Can you profit from what you're asked to do today? You bet you can! But you must be willing to set aside one or two of your prejudices.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your criticism of another will likely be tempered today by your timing and your attitude -- both of which may surprise you in some way.
CAPRICORN (Dec. 22-Jan. 19) -- A challenge is offered today, and you'll have every reason to accept it -- but first take note of something that you usually wouldn't consider.
AQUARIUS (Jan. 20-Feb. 18) -- Your desires aren't always being met these days, are they? Perhaps you should start talking about them more openly -- to the right people.
PISCES (Feb. 19-March 20) -- The unofficial is far more interesting to you than what you can learn through official channels. You'll find excitement behind the scenes.

MONDAY, APRIL 5, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you always acknowledge that you have a great deal to learn, and even after others may think you know it all, you are perfectly comfortable admitting that you don't know enough about this, that or the other thing -- and you will set about to learn all you can about it as soon as you have the opportunity to do so. You're not simply a passive learner, however; you are always eager to take part.
TUESDAY, APRIL 6
ARIES (March 21-April 19) -- Keeping yourself fresh and ready to go will be of the utmost importance today. You may have to time things carefully with a distant partner.
TAURUS (April 20-May 20) -- You can give yourself almost all of what you really need today, but the important thing, first and foremost, is to recognize what that is!
GEMINI (May 21-June 20) -- Your exploration of something that you would usually

consider routine and uninteresting uncovers a few important surprises today.
CANCER (June 21-July 22) -- If you find yourself out and about today, you must be sure to take all necessary precautions; certain things endanger you more than others.
LEO (July 23-Aug. 22) -- What you hear through the grapevine today may simply make you angry if you're not quick enough to make good and profitable use of it.
VIRGO (Aug. 23-Sept. 22) -- Your desire to see more of someone may be satisfied today -- but not necessarily in the way you had hoped. Things develop along unusual lines.
LIBRA (Sept. 23-Oct. 22) -- You may find yourself immersed in a situation that demands more of you than you would have thought. You may be left in the lurch.
SCORPIO (Oct. 23-Nov. 21) -- You're eager to share what you've been thinking lately with the one person who will be most affected if you put your plans into motion.

Speak up!
SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't allow yourself to be fooled by someone who knows very well how to pull the wool over your eyes. Take a stand and say, "No!"
CAPRICORN (Dec. 22-Jan. 19) -- You may be tempted to break one or two of the most basic rules in the book today -- but you have good reason to be. Take a friend's advice.
AQUARIUS (Jan. 20-Feb. 18) -- You'll want to break something down into very small components today in order to come to a greater understanding of its overall impact.
PISCES (Feb. 19-March 20) -- You may be getting tired of answering the same questions again and again, day after day. Escape will require you to come up with a new plan.
