## Kayla Cromer

8 p.m. on CW Walker

Walker, Micki and Trey (Jared Padalecki, Lindsey Morgan, Jeff Pierre) spring into action when a tornado touches down in Austin in the new episode "Fine Is a Four Letter Word." Their first stop is the school, where Stella and August (Violent Brinson, Kale Culley) are among the students attending a dance. Later, while on a supply run to the store, old memories resurface for Bonham and Abeline (Mitch Pileggi, Molly Hagan), forcing them to talk about their marriage. Keegan Allen also stars; Madelyn Kientz and Alex Landi guest star.

#### 9 p.m. on FOX Last Man Standing

Former series regular Kaitlyn Dever returns to her role as Eve Baxter, who comes home for a visit but has difficulty forging a connection with her nieces in the new episode "The Two Nieces of Eve." Elsewhere, Kyle (Christoph Sanders) worries that his preaching is lacking something, so he turns to Ed (Héctor Elizondo) for advice. Tim Allen and Nancy Travis also star; Jay Leno guest stars.

#### 10 p.m. on FREE Everything's Gonna Be Okay

Two back-to-back episodes open Season 2 of this acclaimed family dramedy, as the Moss family returns from their disappointing trip to New York, where the autistic Matilda (Kayla Cromer) realized her dreams of attending Juilliard are beyond her reach. As Matilda sadly begins to re-think her life goals, Genevieve (Maeve Press) puts herself out there more in terms of dating, while Nicholas (Josh Thomas) and his boyfriend, Alex (Adam Faison), try to find a way for the former to balance his multiple family roles in a healthier way.

#### 10:01 p.m. on ABC Rebel

Inspired by the work of consumer advocate and activist Erin Brockovich, this new legal drama series stars Katey Sagal as Annie "Rebel" Bello, a blue-collar legal advocate who doesn't let a minor thing like her lack of a law degree keep her from fighting for the little people who need her feisty strength and commitment to any cause she believes in. The cast also includes John Corbett, James Lesure, Kevin Zegers, Lex Scott Davis, Tamala Jones, Ariela Barer, Sam Palladio and Andy Garcia. Brockovich is an executive producer.
