HOROSCOPES

TUESDAY, APRIL 6, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are destined to accomplish some great things in your lifetime, and yet strangely, you are never one to seek recognition or reward for your accomplishments because they are, in themselves, enough to give you a great deal of contentment and self-satisfaction. This is not to say, however, that you won't accept what comes your way after you have put in a top-notch effort.

WEDNESDAY, APRIL 7

ARIES (March 21-April 19) -- You may not be quite as secure or confident as you had hoped to be today, but if you ally yourself with the right people, all will be well.

TAURUS (April 20-May 20) -- You feel a storm coming, and try as you might, you cannot think of a way to avoid it -- or the impact it's likely to have on your personal affairs.

GEMINI (May 21-June 20) -- You needn't insist that everything go your way today; in fact, you would be wise to allow someone else to call the shots for the time being.

CANCER (June 21-July 22) -- That which seems a liability at first may actually prove to be an advantage before the day is out -- and you know how to make it so!

LEO (July 23-Aug. 22) -- Your generosity and care should be on full display throughout much of the day -- but someone may rub you the wrong way and ruin everything.

VIRGO (Aug. 23-Sept. 22) -- You mustn't let yourself cross any boundaries today, especially where family members are concerned. A new rift threatens to be long-lasting.

LIBRA (Sept. 23-Oct. 22) -- You're heading down the right path, but things don't look the way you expected them to. Nothing is quite as familiar as it should be.

SCORPIO (Oct. 23-Nov. 21) -- You can recover quickly from any kind of setback today as long as you keep your initial reaction in check and keep your head in the game.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your interest in certain issues that others do not consider important will pay off today as you make your way to the head of the line.

CAPRICORN (Dec. 22-Jan. 19) -- Play your cards right and you should be raking in the chips in no time. Still, your expectations must be realistic! Don't get cocky.

AQUARIUS (Jan. 20-Feb. 18) -- Your plans may change suddenly when someone comes to you with a request that you simply can't decline. Some tricky moments surely follow.

PISCUS (Feb. 19-March 20) -- Be honest with yourself today, and answer any and all questions you put to yourself in the simplest possible terms. Some things make no sense.
