HOROSCOPES by Stella Wilder

THURSDAY, APRIL 15, 2021
YOUR BIRTHDAY by Stella Wilder
 Born today, you are never content to do just one thing for any great length of time; you want to be free always to explore whatever is ahead of you, in whatever way you choose, and to follow your interests and desires at all times so you can commit yourself fully to whatever endeavor calls to you. You cannot, of course, commit fully to that which doesn't capture your heart, mind or imagination.

FRIDAY, APRIL 16
ARIES (March 21-April 19) -- You may be required to do more than you had anticipated today -- and more quickly than you are used to, as well. An authority figure is watching.

TAURUS (April 20-May 20) -- You can turn a negative into a positive today without doing anyone harm. Indeed, you'll be far more maneuverable than in days past.

GEMINI (May 21-June 20) -- You're likely to receive orders that make no sense to you, given the prevailing circumstances. Is there time to raise an objection?

CANCER (June 21-July 22) -- You'll do someone a favor today and receive one in return as payment -- though you may be left with the feeling that you've been short-changed.

LEO (July 23-Aug. 22) -- Messages are sent here and there throughout the day, and you may find yourself playing the role of courier at some point. Timing is a factor.

VIRGO (Aug. 23-Sept. 22) -- You're expecting a clear road ahead, but someone is likely standing in your way. Now is no time to hesitate; you must demand clear passage!

LIBRA (Sept. 23-Oct. 22) -- You have all kinds of good reasons for doing or not doing some things today -- but those in charge only want results. Get to work!

SCORPIO (Oct. 23-Nov. 21) -- You may be surprised when you receive an offer that you expected to go to someone else. You can turn this into a major opportunity today.

SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't be the only one to do the talking today. Others have good ideas and can communicate them well; give them the floor!

CAPRICORN (Dec. 22-Jan. 19) -- You'll benefit from something today that someone else considers a major setback. You can show them how to move ahead at this time.

AQUARIUS (Jan. 20-Feb. 18) -- You may require the assistance of someone with whom you've been "on the outs" lately -- but today is a good day to put it all behind you.

PISCES (Feb. 19-March 20) -- Pay attention to the little things that might do you harm. You're likely to come to the conclusion that you're doing something wrong.
