Final Notice and Public Explanation of a Proposed Activity in a 100-year Floodplain and Wetlands

To: All interested Agencies, Groups and Individuals

This is to give notice that the Responsible Entity under Part 58 has conducted an evaluation as required by Executive Order 11988 and 11990, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under the Community Development Block Grant Program under project #19003. The proposed project is located in North Powder in Union County, Oregon.

Generally, the project consists of four elements: (1) construction of evaporation fountains in one of the City's wastewater lagoons and improvements to the existing headworks; (2) construction of an underground pressure main from the current wastewater treatment facility to the new evaporation wetland; (3) construction of an 11.5 acre evaporation wetland on City-owned property directly north of the treatment facility; and (4) rehabilitation of some of the City's existing collection system. The new pressure main and evaporation wetland system will enable the City to discontinue current surface water discharge. 0.95 acres of wetlands will be impacted as a part of project elements #2 and #3. The City and Oregon DSL have negotiated a Payment-in-Lieu fee for the City to mitigate the adverse effects to the wetlands.

Responsible Entity has considered the following alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values:

The action must take place in the wetlands because the project is intended to bring the City's sewer utility into compliance with its wastewater permit and a 2010 Mutual Agreement Order (MAO) from Oregon DEQ. It will also enable the City to end its discharge into the Powder River, which will reduce the regulatory requirements for the City's wastewater discharge. The major alternatives considered by the City and Anderson-Perry as a part of the Wastewater Facility Plan were: (A) No Action Alternative; (B) upgrade the existing treatment facility to reliability meet the NPDES limits and maintain river discharge; and (C) develop additional evaporation capacity to eliminate the need for river discharge and strict NPDES permitting (chosen alternative).

The action must take place in the floodplain because the City's lagoons are located within a 100-year floodplain boundary. An important distinction is that the City's lagoons are elevated above the floodplain, as determined by Anderson-Perry.

Responsible Entity has reevaluated the alternatives to building in the floodplain/wetland and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988 and 11990, are available for public inspection, review and copying upon request at the times and location delineated in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains/wetlands and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains/wetlands can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains/wetlands, it must inform those who may be put at greater or continued risk.

Written comments must be received by the Responsible Entity at the following address on or before April 23, 2021: City of North Powder 635 3rd St. North Powder, OR 97867 and (541) 898-2185, Attention: Mike Wisdom, Mayor. A full description of the project may also be reviewed from Mon – Thurs 8:30 – 12:30 at City Hall (address above). Comments may also be submitted via email at cityofnp@eoni.com.

Both the Beneficiary and the successor Trustee, Hacker & Willig, Inc., P.S. have elected to sell the said real property to satisfy the obligations secured by said Trust Deed and a Notice of Default has been recorded pursuant to Oregon Revised Statutes 86.752(3) on April 24, 2020. A Trustee's Notice of Sale was issued on April 28, 2020, was served on the borrower/grantor, mailed to all necessary parties, and was posted no fewer than three times and was mailed to Occupant. The date originally set for the sale was September 11, 2020. On or about June 26, 2020, the Oregon State Legislature passed House Bill 4204 which was subsequently signed into law by the Governor. Such order was issued on August 31, 2020, extending the emergency period to December 31, 2020. That date has now passed and therefore the stay imposed by law terminated at the end of day **December 31, 2020**. This Amended Trustee's Notice of Sale is issued pursuant to HB 4204 and Oregon Revised Statute 86.782 (12). Your Trust Deed provides that you are required to pay all taxes on the above-referenced real property when due and prior to any delinquency. If you fail to do so it is considered an "Event of Default." Specifically, the Trust Deed provides:

Default on Other Payments. Failure of Granter within the time required by this Deed of Trust to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

By reason of said default, the Beneficiary has declared all sums owing on the obligation secured by said Trust Deed immediately due and payable, said sums being the following, to wit:

Loan No. 7450	Loan No. 0956
Principal Balance \$ 223,028.70	Principal Balance \$ 200,000.00
Interest \$ 19,787.29	Interest \$ 15,404.73

together with title expenses, costs, trustee's fees and attorneys fees incurred herein by reason of said default; and any further sums advanced by the beneficiary for the protection of the above described real property and its interest therein.

WHEREFORE, notice is hereby given that the undersigned Trustee, will on **May 14, 2021**, in accord with the standard of time established by ORS 187.110 at **10:00 a.m.**, at the following place: At front entrance of the Baker County Courthouse, 1995 3rd Street, Baker City, Oregon, sell at public auction to the highest bidder for cash the interest in the said described real property which the Grantor had or had power to convey at the time of the execution of the said Trust Deed, to satisfy the foregoing obligations thereby secured and the costs and expenses of sale, including a reasonable charge by the Trustee.

Notice is further given that pursuant to ORS 86.778, any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the Trust Deed reinstated by payment to the Beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or Trust Deed, and in addition to paying said sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Trust Deed, together with trustee's and attorney's fees not exceeding the amounts provided by said ORS 86.778 and 86.809.

Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic.
