HOROSCOPES by Stella Wilder

SUNDAY, APRIL 18, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you have a quirky, unconventional nature, and you are willing to do whatever it takes to excel. You don't necessarily break the rules when you feel the rules do not apply to you or only serve to hold you back, but you will bend them, surely, to suit your will and make them work for you rather than against you. You will employ tricks, games and all manner of persuasion to get your way -- and this penchant for "working the crowd" is likely to have been evident at an early age. MONDAY, APRIL 19 ARIES (March 21-April 19) -- No matter how many times you hear that "practice makes perfect," you're likely to discover you can improve only so much at this time. TAURUS (April 20-May 20) -- Be ready to apply what you have recently learned to a problem that's fast approaching. You'll know what must be done when the time comes.

GEMINI (May 21-June 20) -- The simplest solution to a stubborn problem is likely the best solution -- but it may be the last of a long series that you explore today. CANCER (June 21-July 22) -- If you find yourself responding to another in a manner that is merely "automatic," you'll surely want to update your tactics. LEO (July 23-Aug. 22) -- You must be fully engaged in what is happening today if you're going to reap the full benefits available to you. Now is no time to cut corners. VIRGO (Aug. 23-Sept. 22) -- Someone following in your footsteps may become something of a nuisance today, but you can correct this error without going to much trouble. LIBRA (Sept. 23-Oct. 22) -- You must do all you can to maintain that positive outlook of yours -- especially when you are faced with an unexpected but very real challenge. SCORPIO (Oct. 23-Nov. 21) -- Someone close to you is going through something that

you do not fully understand -- but that doesn't mean you cannot offer genuine help. SAGITTARIUS (Nov. 22-Dec. 21) -- You are eager to see this difficult phase pass into memory -- and, in fact, you have no intention of remembering it at all! Move along! CAPRICORN (Dec. 22-Jan. 19) -- You can ensure that those around you remain as safe as possible today by insisting that they follow the same rules you follow. AQUARIUS (Jan. 20-Feb. 18) -- You're eager to see what is possible, but you're not willing just yet to put too much on the line. You must trust another's tales, then. PISCES (Feb. 19-March 20) -- Your decision-making will be affected today by someone's unwillingness to give you the space you require. A conflict may well result.

MONDAY, APRIL 19, 2021 YOUR BIRTHDAY by Stella Wilder Born today, you are a powerhouse of energy, vision and ability -- and yet you may not always be recognized for your most significant achievements, because the force of your personality alone is sure to influence how others see you and shape how they think about you and your doings. In other words, though you're likely to do a great deal in your lifetime, your personality alone is likely to be a distraction to others. TUESDAY, APRIL 20 TAURUS (April 20-May 20) -- Focus on what you know, not on what you don't. Others may remind you of the missing pieces, but your strength comes from information already gathered. GEMINI (May 21-June 20) -- The more sheepishly you approach a certain situation today, the more likely you will be to succumb to it quickly -- and not in a good way. CANCER (June 21-July 22) -- You're wait-

ing to let someone know just how he or she has fared in a recent contest. You're in charge, and you know what's possible. LEO (July 23-Aug. 22) -- It may be apparent to you what has or hasn't been done in preparation for a certain game or task, but you must resist the temptation to step in. VIRGO (Aug. 23-Sept. 22) -- Control is the name of the game today. Don't think that you lack what it takes; you know what you know, and that's what matters most. LIBRA (Sept. 23-Oct. 22) -- You are not likely to be equipped with all the tools that would be useful in the situation in which you find yourself -- but you have enough. SCORPIO (Oct. 23-Nov. 21) -- Make no promises today unless you know you can keep them. Others will be pressing you to step out of your comfort zone -- but you needn't. SAGITTARIUS (Nov. 22-Dec. 21) -- You may think that you've hit upon a "new" method of doing something that makes it

much easier -- but you may be fooling yourself. CAPRICORN (Dec. 22-Jan. 19) -- You're eager to see how something is going to turn out, but you haven't yet finished with your contribution. It's not over yet! AQUARIUS (Jan. 20-Feb. 18) -- You may feel as though you are coming up short, but you are doing all you can to support another at this time. The work continues. PISCES (Feb. 19-March 20) -- Now is no time for finger-pointing. You'll want to get to the bottom of a certain situation, but you can do it without singling out anyone. ARIES (March 21-April 19) -- It's a good day for experimenting with how your words convey your meaning. There is no right or wrong right now; experiment freely.
