Jessica Biel is an executive producer on this new limited series, a thriller that unfolds over three years in the 1990s and revolves around two young women: Kate Wallis (Olivia Holt), a local golden girl who suddenly goes missing, and Jeanette Turner (Chiara Aurelia), a nerdy misfit who becomes a suspect in Kate's disappearance. As the story unfolds from shifting points of view, however, the series challenges perceptions and asks whether Kate is who she is thought to be.
