5 p.m. on TRAV Ghost Brothers: Lights Out

TV's only black paranormal crusaders — Atlanta-based trio Dalen Spratt, Juwan Mass and Marcus Harvey — anchor this new ghost-busting series that follows a somewhat unconventional format. Each episode starts with Mass and Harvey investigating an allegedly haunted property with no prior knowledge of the site, while Spratt — who has fully briefed himself on the history of the location — guides the other pair from a remote "command center." The premiere, "Roff Family Rituals," finds them in Watseka, III., to investigate the death of a young girl.

8 p.m. on LIFE Movie: My Father's Other Family

When she tries a family-tree DNA kit, Shelby had no idea it would reveal that her late father led a double life, complete with a secret family. Once over the shock, she's finally ready to meet Rose, the half-sister she never knew she had. The two women get along surprisingly well, but when the matter of their father's estate arises, Shelby starts to fear that Rose might do almost anything to get the inheritance she thinks she deserves after all these years. Kimberly-Sue Murray and Hannah Anderson star in this 2021 thriller.

9 p.m. on SHOW Movie: Mid90s

Actor Jonah Hill received praise for his feature directing debut on this 2018 coming-of-age dramedy, which he also wrote. Set in 1996, the film stars Sunny Suljic as Stevie, aka "Sunburn," who lives in the Los Angeles community of Palms with his abusive older brother, lan (Lucas Hedges), and his single mom, Dabney (Katherine Waterston). He begins exhibiting increasingly reckless behavior after falling in with a mostly older group of skateboarders. Na-kel Smith, Olan Prenatt and Gio Galicia co-star.
