HOROSCOPES by Stella Wilder

SATURDAY, APRIL 24, 2021
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of those rare and admirable individuals for whom self-consciousness and awkwardness are simply not a part of the equation -- and you know this and are able to take full advantage of it in all things both personal and professional. You are energetic, forward-moving, ambitious, and also something of a visionary. You know how to make things happen.
SUNDAY, APRIL 25
TAURUS (April 20-May 20) -- Those who try to hide anything from you today aren't worth your time, for what they have to conceal isn't likely to concern you.
GEMINI (May 21-June 20) -- You may be on the verge of something important today, but there is missing information you must try to secure before making a firm decision.
CANCER (June 21-July 22) -- You must take it upon yourself today to do all you are required to do. Skipping out on any responsibility can endanger others.
LEO (July 23-Aug. 22) -- You're eager to make changes on your side of the court, but your opponent likes things the way they are. You may have to play the waiting game.
VIRGO (Aug. 23-Sept. 22) -- You're going to have to make certain adjustments today that you may not like, but you should be taking things in stride very soon, actually.
LIBRA (Sept. 23-Oct. 22) -- Workplace tensions can be eased considerably today -- but you may have to be the "bad guy" to make sure everyone is following protocol.
SCORPIO (Oct. 23-Nov. 21) -- You may have to take the initiative today before receiving complete instructions on what must be done. A little experimentation does the trick.
SAGITTARIUS (Nov. 22-Dec. 21) -- Some quick thinking on your part gets a whole lot of people out of a jam today. You'll be praised by those whose freedom you have won.
CAPRICORN (Dec. 22-Jan. 19) -- You don't want to reveal too much too soon today, but at the same time, you must be sure to keep up with what is going on all around you.
AQUARIUS (Jan. 20-Feb. 18) -- How people respond to a common threat will say a great deal about everyone involved. You're in a position to have a positive impact.
PISCES (Feb. 19-March 20) -- You should be able to get your work done and have a good time in the process today -- provided you are able to get past an initial snag.
ARIES (March 21-April 19) -- What you do with others today will be far more important to you in the long run than any solo achievements. You must reaffirm connections.
